Concern on volume of drug abuse by young

Drug abuse among youths, particularly in the 15 years old and under category, "is reaching epidemic proportions," according to Dr. Mike Levine, an emergency room doctor at St. Elizabeth Hospital.

Friday afternoon, five youths were treated at the emergency room for drug overdoses, including two 13-year-olds who were brought by ambulance from a Granite City junior high school. Of the five, three were admitted to the hospital's intensive care unit.

"In addition to our normal load of overdoses, which is considerable, we have had at least nine kids in here under the age of 17 this week for drug overdoses and most are under 15," Dr. Levine said.

"The problem is that these kids do not know what they are taking or what it will do to them. Two of those brought in today had taken a combination of drugs, including Elavil, a mood elevator.

"What Elavil does is to cause the heart to experience arrhythmia, an irregular heartbeat, and one boy's EKG (electrocardiogram) is showing signs of problems," Dr. Levine said Friday.

"We had to call security in here to hold some of these kids down so we could work on them, and save their lives," he added.

"I cannot understand what is causing this sudden epidemic, but we are seeing a lot more overdose cases of young children in here now than ever before."

rumors have begun circulating. No deaths have occurred, though the families had no transportation available.

Two other students were affected in a less severe way and were referred to their parents, the administrator said.

Resignation by board member

Without comment, the Madison School Board on Thursday evening accepted the resignation of Harold T. Fisk from the board.

Fisk, who was not present at the board meeting, had apparently given his letter of resignation to Board Member Chester McManaway, who presented it to Frank Eaves, board president.

Following many of the board's frequent meetings.

Other sources allege that the volume of food missing from school storage areas and from regular commercial food suppliers is much larger than could be accounted for by Fisk's awareness of after-meeting snacks.

While it is believed that a formal investigation may develop, extensive efforts have been made to keep a tight lid clamped on the issue, it was learned.

The letter read: "Gentlemen, I hereby tender my resignation from the Board of Education, Madison School District 12."

"I am resigning March 17 from Granite City Steel after 40 years of service, due to my health, and would like to make this effective the same date."

Fisk asked Friday that the details go unpublicized, saying that many persons potentially could be harmed by full-scale disclosure and investigation.

The departing board member said the food involved included chili, cheese and meat.

"I feel that a younger person could do better than I can on the board."

He said he felt he had board authorization to gather supplies for after-meeting board meals.

"I have enjoyed the association with all the people I have had contact with in my years with the board, and I will miss you all now presently with the school board. Thank you."

Fisk said some Madisonians have told him the issue probably could be dropped if he resigned from the board.

Asked about reports that he had been under pressure to resign from the school board, Fisk acknowledged Friday that use of federal food commodities has been under study.

Fisk has been employed at Granite City Steel since 1937 and has been a school board member since 1964.

Some of the food items consisted of leftovers from the school lunch program at Madison High School, and the rest was previously unused food, Fisk said.

His current term does not expire until April 1979. Fisk has been serving as the board's secretary.

He asserted that all food utilized was devoted to lunches served to Board of Education members at gatherings in the basement of the board building.

The vacancy will be filled in the Saturday, April, election, a board member said.

Board Member Richard Zeiselt was appointed as acting secretary by President Eaves with the approval of the board.

Ban some gas lights

Illinois Power Co. is sending notices to its customers with their bills notifying them that gas lights and other gas fixtures considered non-essential, which were installed after Oct. 15, 1977, must be turned off or the customer will be subject to termination of all gas service.

Some people are misunderstanding the notices, an IP spokesman said, commenting that the notice is in response to an Illinois Commerce Commission general order which pertains only to new installations — those put into operation or applying for gas permits after Oct. 15, 1977.

The ICC order forbids the new use of gas for gas lighting,

Savings 'con men' active

Persons trying to steal Quad-Cityans' savings again are active, John L. McDonald Jr. of the Granite City Trust and Savings Bank reported Friday.

The ruse utilized usually involves "helping" a supposed bank examiner or auditor or computer specialist who asks that money be removed from an account as a way of checking its accuracy or halting alleged thefts.

"No bonafide investigators or authorities ever ask that funds be withdrawn from an account," McDonald stressed.

A grand banquet honoring His Beatitude Theodosius, primate of the Orthodox Church in America, on the occasion of his archpastoral visit to Madison, was held in the Croatian Home and attended by more than 300 persons Sunday.

children with baskets of rose petals.

As Metropolitan Theodosius came to the door of the church he was handed a symbolic loaf of bread and salt to bid him welcome, by George Butkovic, president of the church board.

Metropolitan Theodosius of the Orthodox Church of America was elevated to his present position on Oct. 25, 1977. He served as pastor of the Nativity of the Virgin Mary Eastern Orthodox Church in Madison beginning with his ordination as a priest Oct. 22, 1961.

Father Vladimir Leeko, current pastor of the Madison church, presented the Metropolitan with a cross.

Led by Archbishop John, the procession continued down the center aisle of the church as the choir sang special music under the direction of Agnes Fryntzko, choir director at the church for the past 25 years.

Standing on a raised platform the Metropolitan was vested with symbols of his office by sub-deacons Mike Derner and Mike Fryntzko.

The official celebration of the primate's return to his first parish began with a Vesper service at the church in Madison at 7 p.m. on Saturday.

Mike Hammond presented the Metropolitan with his miter. After pastoral blessings on the congregation, the Hierarchical Divine Liturgy began.

Numerous priests of the Eastern Orthodox Church gathered in Madison for the visit of the primate.

Special guests at the banquet included the Rev. Ralph Scherrer, pastor of St. Mary's Roman Catholic Church in Madison; Mayor and Mrs. Mike Sasyk of Madison; Mayor

Jury convicts man of robbery and rape

A jury of eight women and four men returned a guilty verdict at 2 p.m. Thursday against Robert Bacon, 19, East St. Louis, on charges of armed robbery and rape.

Bacon was accused of being one of two men who forced their way into a home in the 1600 block of Second Street in Madison in the early morning hours of Oct. 31, 1977.

The victims said the men knocked at the front door and said they had lamps for sale. They then displayed a handgun and a shotgun and forced their way into the home, it was alleged.

Johnnie Jones, 25, East St. Louis, who was visiting at the home, was forced to lie on the floor while the 25-year-old woman who lived there was forced into the bedroom.

A third man entered the home and the three took turns holding guns on Jones and the woman while the three raped her, according to official reports of the incident.

They loaded the woman's auto with items from the home, including her stereo, television,

camera, typewriter, radios and other items, and then left in her car.

The car later was found burned in East St. Louis. The victims identified two suspects from police photographs.

Evidence was presented at the trial by Assistant Madison County State's Attorney Stephanie Robbins, and Bacon was defended by Bill Haine.

Witnesses called included the victims and Madison policemen. The jury deliberated 50 minutes before returning the guilty verdicts.

Another suspect remains in custody pending his trial in the case. The third man has not been identified.

Bacon will be sentenced in 30 days by Circuit Judge Joseph J. Barr, who conducted the trial.

Some people are misunderstanding the notices, an IP spokesman said, commenting that the notice is in response to an Illinois Commerce Commission general order which pertains only to new installations — those put into operation or applying for gas permits after Oct. 15, 1977.

Fire destroys residence, 2 hurt

One home was destroyed, another home and a pickup truck were damaged and two men, including a fireman, were injured during a fire in the 3000 block of Marshall Avenue Saturday night.

Firemen first were called to the home of Ray VanMeter, 3009 Marshall Ave., at 5:30 p.m. for a fire in the living room. Firemen found the fire had spread

rapidly throughout the house and VanMeter had burned his hands.

He said the fire on a wood stove malfunctioned, starting the fire.

Efforts to keep the flames from spreading to the home of Kenneth Nicol, 3010 Marshall Ave., were unsuccessful and the south side of that home and part of the roof were damaged.

During the firefighting efforts, VanMeter backed his pickup truck into his yard and in an effort to save some of his belongings and the truck became stuck in the snow.

As VanMeter attempted to rock the truck back and fourth to get it out of the snow, the engine overheated and caught on fire. Damage to the engine

compartment was estimated at \$200.

Fire Shift Commander Ray Romine Jr., 50, of 2561 Cleveland Blvd., tripped on a fire hose during the fire and fell, suffering abrasions to his left hand and arm, chest and left knee. He was treated and released from St. Elizabeth Hospital.

VanMeter, 41, also was treated for burns to his hands, particularly his right hand, and he was released after emergency room treatment.

Danforth meets here on new 'steel' legislation

U.S. Senator John C. Danforth (Missouri), a member of the U.S. Senate Steel Coalition, spent time last week with Granite City Steel officials here discussing the impact of "anti-dumping" laws on area steel industry.

Sen. Danforth met with Fred E. Tucker, National Steel Corp. vice-president of Public Affairs, Washington, D.C., James V.

Stack, president of Granite City Steel, and other company officers. The former Missouri attorney general also toured the local plant.

Sen. Danforth is considering introducing legislation to improve trade laws by making anti-dumping actions easier for the U.S. companies to take and by increasing penalties to foreign countries which violate the law.

In 1977, National Steel filed a complaint with the U.S. Treasury Department against six European nations, charging the dumping of cold roll and galvanized sheet steel at less than fair value on the U.S. market.

No action has yet been taken on the National Steel suit. Sen. Danforth said his proposed amendment hopefully

Masquers to perform 'The Wizard of Oz'

The Masquers will present "The Wizard of Oz," its annual children's show, on Sunday, March 12, at the Granite City High School South auditorium, and Saturday, March 18 at the Webster School auditorium in Collinsville.

Curtain time is 2 p.m. on both dates. As in the past, there will be reduced rates for groups of 25 or more. These tickets must be purchased in advance. For further information on group rates, Quad-Cityans may contact Jay Frey at 344-1823.

150th year celebrated

McKendree College President Julian Murphy has declared a college holiday today to commemorate the 150th anniversary of the Lebanon (Ill.) college's founding.

A service of thanksgiving was celebrated this morning in Bothwell Chapel on campus. Participating were Dr. Murphy; Dr. Leo Downey, vice president for academic affairs; Dr. Lawrence Bryan, assistant vice-president for academic affairs and college chaplain, and the Rev. Donald Burroughs, minister of the First United Methodist Church of Lebanon. Following the service, a traditional birthday party, with cake and ice cream, was held in Circuit Riders Hall, on the main floor of the chapel.

Folk, square dance groups

The SIUE Folk Dance Society is featuring a combination of square dancing and folk dancing on Tuesdays from 6:30 until 9:30 p.m. in Room 1410 of the Peck Classroom Building. Ray Connolly, caller, alternates sets of square dancing, with requested folk dancing.

Another folk dancing group, assisted by SIUE student Marvin Mochle Jr., meets Wednesdays at 7:30 p.m. at the Eastern Orthodox Church, 1300 Grand Ave., Madison. This group features Slavic and international dancing.

Both dance groups are open to the public at no charge. For further information concerning the two dance groups, Quad-Cityans may call Marvin Mochle Jr. at 377-1193 or Jeannine Kullinski at 656-1005, after 5 p.m.

CORN AND SOYBEAN WEED CONTROL MEETING
A program on corn and soybean weed control in Madison County is planned today, Feb. 20, at 7:30 p.m. at the Farm Bureau auditorium in Edwardsville. Elery Kruke, University of Illinois weed specialist, will be the speaker. He will show slides and discuss the latest information on herbicides to use for weed control in corn and soybeans during the 1978 cropping season. He also will discuss control of Johnsongrass and other noxious weeds in field crops.

Many crime victims being aided in state

Illinois Attorney General William J. Scott has appointed Patricia Goldman of Winnetka director of the Crime Victims Compensation Division of the attorney general's office.

Prior to her appointment, she was administrative assistant in the Criminal Justice Division of the office of the attorney general.

Scott has stressed the importance of her new duties and of the crime victims compensation program.

The Illinois Crime Victims Compensation Act authorizes cash payments to innocent victims of violent crimes, or their dependents, and to persons, or their dependents, killed or injured while helping violent crime victims and law enforcement officials.

It often seems that society spends more money, time and attention on the welfare of the criminal rather than on the welfare of the victim," Scott commented.

He explained that one of Miss Goldman's principal duties will be complete review of how the program presently is functioning, and the recommendation of new legislation to further improve the program.

She will head a staff of 15 professional and clerical people involved in the investigation and processing of crime compensation claims within the

state. Scott's first crime victims director was Peter Bensinger, who is now serving as director of the Federal Drug Enforcement Agency.

The Act, administered by Scott, became effective Oct. 1, 1973. Under the program, notice of intent to file a claim must be given to the attorney general's office within six months of the injury. The crime must have been promptly reported to the police.

The financial loss must be more than \$200 and must be limited to medical and hospital expense, nursing care, loss of earnings, loss of support, and funeral and burial expenses. Property loss or damage, and pain and suffering are not compensated.

The legislature requires the attorney general's office to prosecute anyone who submits false information or omits relevant information when applying for crime victim compensation.

For the years 1976 and 1977 a total of \$1,957,965 was awarded to victims of violent crimes in Illinois.

100 review compensation cost, vow to seek change

More than 100 businessmen attended a seminar for small businesses held at the Top of the Barrel Restaurant, hosted Thursday night by the Tri-Cities Area Chamber of Commerce under the direction of Dale Arnette, Small Business Committee chairman.

Attorney Leo Konzen was moderator and the panel consisted of William Bright, industrial relations manager for American Steel Foundries; Larry Niepert, industrial relations manager, for Granite City Steel.

Larry Calvo, attorney for various labor organizations; Dr. Donald Coleman, medical director of the Veeder Health Center at Granite City Steel; C. E. Blankenship, director of safety training and employee benefits for A.O. Smith Corp.

John Galbreath, a practicing chiropractor in Granite City; Dr. G. T. Wilkins Jr., a practicing Granite City physician and president of the Illinois State Medical Society; Thomas Kieley, owner of the E. J. Miller Insurance Agency and a specialist in workers' compensation insurance. Also, Dr. Richard Sutter, owner and operator of Sutter Clinic, St. Louis; Eric Robertson, a practicing attorney in Granite City and a specialist on workmen's compensation cases and Thomas Keefe, a practicing attorney from East St. Louis who is recognized as one of the authorities on workmen's compensation subject in Illinois.

For two hours, the audience asked questions of the panel members, all of whom donated their time. They were introduced in three sections by Konzen: management, consisting of Bright, Niepert, Kieley and Blankenship; legal, consisting of Keefe, Robertson and Calvo; and medical, consisting of Doctors Sutter, Galbreath, Coleman and Wilkins.

Questions were answered, comments from the audience were noted, and when the meeting was completed many indicated it was among the most informative seminars they had ever attended on workmen's compensation.

There were requests for more seminars on other governmental regulations affecting businesses.

The basic theme was the high cost of doing business in Illinois, partly due to current compensation laws.

Many of the small businessmen commented that if the trend continues as it is now, it is definitely going to put some out of business because they cannot compete with surrounding states.

Some emphasized that they would not recommend that any of their friends start a business in Illinois, due to the cost of governmental regulation.

"How to live with it" until rules can be made more moderate and practical was discussed at length.

Answers came from the panelists in staccato fashion—

A presentence investigation has been ordered by Associate Judge Thomas Gibbons in former activities of the Rev. Edwin Arentzen, who was found guilty by a jury in Granite City Thursday of disorderly conduct.

A jury deliberated about 50 minutes before finding the priest guilty of disorderly activities during an anti-abortion protest at the Hope Clinic for Women and the adjoining private offices of Dr. Hector Zevallos Jan. 19.

After the guilty verdict was announced, Judge Gibbons set the time for sentencing at 3 p.m.

work with legislators; visit your legislators regularly before they go into session; show them convincingly when a law has made Illinois non-competitive with surrounding states; convince them that rules must be modified because workers must have profitable small businesses to help furnish them jobs.

By far, most workers in Illinois are employed by small businessmen, rather than what is generally regarded as big business, it was contended.

The businessmen agreed to stay in closer contact with their legislators, "use a businesslike approach to all problems, and work together for a better business climate in the state."

The same theme was expressed by those representing organized labor.

Power and all businesses which sell or install natural gas equipment in this area.

Fresh from a governors' meeting with President Jimmy Carter on the subject of energy conservation, Illinois Governor James R. Thompson said Thursday he is asking residents to reduce voluntarily their use of electricity because of the nationwide coal strike.

The strike is now in its 77th day.

After a two-hour meeting with Pres. Carter in Washington, Gov. Thompson said he will meet with his energy advisers to discuss a power cutback.

He said he urges reduced use of outdoor lighting and non-essential equipment that uses electricity.

Thompson said Illinois does not have a coal shortage at present but could face one if asked to share its resources with such hard-hit states as Ohio and Indiana.

He commented, "We're relatively well off, but if auto plants in Ohio go down, plants in Illinois will go down for lack of parts."

Illinois Power Co. has not formally called for voluntary reduction in use of electrical power but has an on-going conservation program.

The utility has brought in some coal from Western states and has used more oil than it normally does, leaving it in better condition than many utilities in terms of reserve coal supply.

Mrs. Ann Butchko, president of the Ladies Sodality, presented the Metropolitan with flowers as he entered the hall for the banquet.

Robert Butchko served as master of ceremonies.

During the banquet, the people were entertained by the Balaala orchestra and "Little Cossacks" dancers, all members of the Nativity of the Virgin Mary Eastern Orthodox Church of Madison.

Speaking in Russian with Father Lecho translating, Archbishop John called for unity of the church as one in Christ and expressed his happiness in the fact so many came freely to worship and celebrate together.

Mayor Sasyk gave an official welcome praising Metropolitan Theodosius for the things he did in Madison as pastor and for his being honored as head of his church.

Senator Vadala, as he is presented a gift to the Metropolitan, "I must say that I have been to many functions, but this one has to be one of the greatest in my life."

Metropolitan Theodosius began his brief remarks with a simple comment, "It is good to be back home." The audience gave him a standing ovation.

The Metropolitan called for the people to remember him in their prayers as he filled the role as Metropolitan.

"One man does not an army make. I ask for your prayers, both private and personal prayers. With all our combined talents and with the Lord to lead us we can do much in his name."

Officers later were told a man they were seeking for investigation in the incident had been arrested for a theft in Carbondale.

Carbondale officers said a Granite City man allegedly had taken a vacuum cleaner from a store there and attempted to get a refund for it. When the refund was denied, the man left the store with the vacuum cleaner.

Carbondale police found the man in a car with a youth and a

GC team beats Madison police five in overtime

Granite City Police-Firemen All Stars upset the Madison Police Department team Sunday afternoon in a 61-56 overtime win at St. Mary's Parish Hall.

The game was tied 52-52 at the end of regulation play.

Three of Madison's players fouled out during the overtime period and Madison Police Sergeant William Papa was charged with a technical foul which provided Granite City an opportunity to log four unanswered points and win the game.

The event was considered a warmup contest to the Officer Friendly benefit basketball game, scheduled for 8 p.m. Tuesday, Feb. 28, in the Memorial Gymnasium, where the Granite City team meets the Big Red All Stars of the St. Louis football Cardinals.

After suffering the narrow loss yesterday, Madison police immediately challenged the Granite City officers to a rematch.

Acceptance was just as immediate. Officer Friendly (Fred Hoffman) said the Granite City police said this morning,

"We accommodated them (Madison) yesterday by letting them set the time and location, but next time it will be at our time and our choosing," Hoffman stressed. "All of our best players work the afternoon shift," he added.

"I think it was terrific how the guys pulled it out," Hoffman continued. "Hylla is really good." He was referring to Dave Hylla, a police dispatcher for the Madison department.

"After hearing about all the basketball stars that Madison had, we recruited one of our dispatchers for the game," Hoffman said today. Kenny Bertrand, six feet, five inches tall and a former South High cager, played for the Granite City squad.

Others playing for Granite City were John Apperson, Don Petrillo, Ken Crawford and Don Knight, police; and Ed Hagnauer, Charles Bernal, Ken Drive, Greg Becker and Ray Romine III, fire department.

In spite of all the interdepartmental jibes, Hoffman said, Sunday's contest was a "very good game."

Bogus check used to buy car

Granite City police are investigating an incident in which a stolen check was used to purchase an auto for \$6,000 from Ron Mueller, 204 Kirkpatrick Homes, Friday.

A man gave Mueller a \$6,000 check from a Wood River service station and the two went to a bank where the title for the car was signed to the man and notarized.

It later was discovered the service station had gone out of business and several checks were missing.

Officers later were told a man they were seeking for investigation in the incident had been arrested for a theft in Carbondale.

Carbondale officers said a Granite City man allegedly had taken a vacuum cleaner from a store there and attempted to get a refund for it. When the refund was denied, the man left the store with the vacuum cleaner.

Carbondale police found the man in a car with a youth and a

woman and took him into custody. The youth and woman were ordered to drive their auto to the police station behind the Carbondale squad car, but enroute to the station, the car turned off Grand speed way, eluding officers, it was reported.

Granite City officers are attempting to determine if the auto was the one purchased from Mueller and if the man in custody at Carbondale is the one who presented the stolen check for the car.

Information on petitions picked up in Venice was unavailable this morning.

Document charges possession of illegal shotgun

Ronald W. Burcham, 23, of 2431 Adams St., was charged in an informational document issued by the Madison County state's attorney's office Friday with unlawful possession of a sawed-off shotgun, a felony.

VanVleet was charged at that time with unlawful use of a weapon for having the gun in his car. After further investigation, police sought a felony warrant against Burcham.

The event is offered as a public service and is expected to be of interest to professionals, paraprofessionals and volunteers serving the elderly. The films should also be of value to senior citizens, as well as educators and students interested in aging and development.

Auto accident injures one

An auto driven by Roy Lee Marcum of National City collided with the parked car of Thomas Dickerson of University City, Mo., at 10:20 p.m. Friday in front of the American Self Foundries, Netherland Avenue and the railroad tracks.

The Dickerson car was pushed into a parking sign and into a light pole.

Passengers in the Dickerson auto were Mrs. Wanda Dickerson, 34, who was taken by ambulance to St. Mary's Hospital, Richmond Heights, Mo. Two children, Alinda Dickerson, 3, and Thomas Dickerson, five months, were not injured, according to the report.

Marcum was charged with careless driving.

Film festival on aging at SIUE

The first annual film festival on aging will be held at Southern Illinois University at Edwardsville Wednesday.

Sponsored by the gerontology program at the university, the film festival is scheduled in the Illinois-Mississippi Room of the University Center from 8:30 a.m. until 4:30 p.m.

The event is offered as a public service and is expected to be of interest to professionals, paraprofessionals and volunteers serving the elderly. The films should also be of value to senior citizens, as well as educators and students interested in aging and development.

The board approved payment of bills and the district payroll and again reviewed alternative methods of financing, including the feasibility of a future bond issue.

Venice School District presently is using anticipation warrants, drawn on the education building funds.

There appears to be little hope of alleviating the district's financial woes with the decrease in assessed valuation being experienced annually in Venice, the board said.

It was noted Venice Township lost \$6 million in assessed valuation last year and the school district is expected to lose between \$2½ and \$3 million in assessed valuation.

Petitions in school elections

Petitions of candidacy for school board posts have been picked up for five persons in the Quad City area, including three incumbents whose terms are expiring.

Wednesday is the first day in which petitions for school posts may be filed.

Among those picking up petitions at the Granite City Board of Education office were the incumbent board president, Thomas G. Miesky, and incumbent Monroe Worthen.

David Partney also picked up petitions.

There will be two terms expiring in Granite City.

In Madison School District 12, voters will be selecting four school board members. Only incumbent Richard Zeissel has picked up candidate petitions.

David Miesky, an incumbent on the Madison Board of Education, whose term is expiring, said he does not know if he will run.

Elvers P. Johnson, who was appointed to fill the vacancy created by the resignation of Donald Boyer, has indicated he will seek election to the one year remaining in Boyer's term, but has not yet picked up his petitions.

Fourteen vacancies is the result of the resignation announced Thursday by Harold Fisk, which will leave an opening for a member serving the remaining two years of his term.

In Venice, the terms of John Boyer and Jerry Cleary are expiring and a one-year seat will be open which currently is being filled by George Wade, who was appointed.

Information on petitions picked up in Venice was unavailable this morning.

Agreements readied for ambulance fee guarantee

The Granite City Council will be requested tomorrow night to authorize the fire department to enter into agreements with Quad City area cities, village and township to provide ambulance service after March 15 in return for a guarantee of payment for all calls.

During a meeting Friday afternoon of city officials and representatives of Madison, Venice, Pontoon Beach and Nameki, Chouteau and Venice townships, Granite City Attorney Lance Callis gave out copies of a proposed agreement which will be necessary before ambulance service can be continued.

Agreements guaranteeing the city payment for every ambulance run after March 15 are necessary because state and federal grant funds now paying the salaries of the ambulance personnel will expire that day and the taxpayers of Granite City will then begin paying for those salaries.

Callis has said it would be ill for Granite City taxpayers to subsidize losses

of the city.

The ambulance fee will be \$70 per call and \$1 per loaded mile and must be paid by the governmental body within 30 days of when the bill is turned over by Granite City.

After the council grants the fire department authority to enter into the agreements, another meeting between Granite City officials and officials of the other cities, village and township will be called for early March, at which the agreements will either be signed or suggested amendments will be discussed.

Sr. citizen fitness class will resume

The senior citizen fitness class will be starting again on Monday, Feb. 27, at the Tri-City Area YMCA.

The class is held each Monday and Wednesday from 9 to 10 a.m. for four weeks and costs \$4 for non-members. "Y" members may attend at no charge.

The class is taught by Lee Suarez, who also instructs the women's fitness class.

Additionally, on Fridays, an instructional swim time is offered to senior citizens from 9 to 10 a.m., also taught by Lee Suarez. The fee for this class is \$2 per month.

Those interested in registering may call the "Y" at 876-7200.

State taking over E. St. Louis job training, will beef up controls

Governor James R. Thompson last week announced that the state of Illinois was officially designated by the U.S. Department of Labor as the interim prime sponsor of the City of East St. Louis, trouble-plagued \$7 million Comprehensive Employment and Training Act (CETA) program.

Thompson said the unprecedented cancellation of a CETA contract with a local government resulted from a U.S. Department of Labor report last year which revealed "willful and capricious violation of the rights of citizens served by CETA" by city administrative officials.

U.S. Secretary of Labor Ray Marshall, in making the designation, said the state would take over as a caretaker prime sponsor from the federal monitors overseeing the program since the city's contract was withdrawn late last year.

Marshall said Illinois would assume full operational control through Sept. 30, when a permanent prime sponsor will be named.

Gov. Thompson said: "The decision to accept this responsibility is not taken lightly. At stake are the jobs and paychecks of hundreds of unemployed and disadvantaged persons."

"Even more importantly, we have to move quickly to restore the public's eroded confidence in the equitable administration of federally-funded employment and training programs."

"I am, therefore, assuming personal responsibility for this program."

"I can assure East St. Louis residents that their CETA programs will be administered fairly and that all those eligible for CETA programs will have an equal chance to participate."

"The state has adequate resources to administer the East St. Louis program efficiently and fairly. I have directed Dr. Bill Murray, director of the Governor's Office of Manpower and Human Development, to make this program his first priority."

"Those persons currently being served by CETA

programs in East St. Louis will not be terminated.

"Every effort will be made to employ those now administering the CETA program in our own administration team, provided they show demonstrated abilities."

"I further pledge that every federal CETA dollar earmarked for the residents in East St. Louis will be spent in East St. Louis."

To ensure program continuity and to encourage citizen participation in the transition process, I have directed Dr. Murray to meet with the mayor of East St. Louis and the city's manpower advisory council to discuss ways to minimize any possible disruption of present and future programs.

"Although the state did not seek this responsibility, we will not shirk from CETA's clear mandate to serve those in need fairly in accordance with regulations. We've been asked to run this program. We will run it, and run it properly."

The Governor's Office of Manpower and Human Development, Thompson said, already acts as a prime sponsor for 70 downstate Illinois counties not eligible to receive CETA grants directly from the U.S. Department of Labor.

Thompson said the quality and size of his manpower office's staff was largely responsible for its selection over 19 other CETA prime sponsors in the state.

He said 30 additional persons will be hired to administer the program in East St. Louis. No CETA enrollees will be subject to layoff until May 1, when all eligibles are to be terminated from the program.

Thompson said his manpower staff will review and evaluate the qualifications and performance of all the current East St. Louis staff. "All will be given the opportunity to apply for employment with the Governor's Office of Manpower, but final selections will be based on the best qualifications for the job, and not whether they are current CETA staff members."

Thompson said other conditions of interim prime sponsorship include: "Development of an annual plan for the East St. Louis CETA program."

Evaluation and recommendations for membership on the city's manpower advisory council.

Completion of a non-financial agreement with the Illinois Bureau of Employment

Security to provide selection and referral of CETA applicants.

Transfer of Department of Labor property from East St. Louis control to the Governor's Office of Manpower.

Review of the East St. Louis Skill Center to determine effectiveness of current training opportunities and to increase training efforts.

Planning and operation of two youth employment and

training programs.

Review of eligibility of all CETA enrollees, with all those found to be ineligible to be terminated but not prior to May 1, except in cases of misconduct or poor performance.

Thompson said his manpower office will work closely with federal monitors during the transition process, with particular emphasis on the strengthening of fiscal controls and subcontracting procedures.

PTA lists 'best,' 'worst' TV shows

The National PTA last week released a program review guide citing specific TV programs for their violence content and overall quality. All prime-time shows from 1977 fall season were critiqued, based upon the monitoring efforts of PTA members throughout the country.

The top 10 shows which the PTA considers to be excellent in the three areas of examination are: "The Waltons" (CBS); "Hill Street Blues" (NBC); "The 24th Hour" (ABC); "The Love Boat" (ABC); "The Mary Tyler Moore Show" (ABC); "The Dick Van Dyke Show" (CBS); "The Jeffersons" (CBS); "The Cosby Show" (CBS); "The Golden Girls" (CBS); "The Nanny" (CBS).

The bottom 10 shows which the PTA considers to be poor in the three areas of examination are: "The Love Boat" (ABC); "The Mary Tyler Moore Show" (ABC); "The Dick Van Dyke Show" (CBS); "The Jeffersons" (CBS); "The Cosby Show" (CBS); "The Golden Girls" (CBS); "The Nanny" (CBS); "The 24th Hour" (ABC); "The Waltons" (CBS); "Hill Street Blues" (NBC).

Mulligan's Stew (NBC); World of Disney (NBC); and Sixty Minutes (CBS).

Programs rated poorest in overall quality in the three areas evaluated are: Soap (ABC); Redd Foxx Show (ABC); Maude (CBS); NBC News; Man from Atlantis (NBC); Kojak (CBS); Three's Company (ABC); CBS Movies; Welcome Back, Kotter (ABC); and Busting Loose (CBS).

"These shows were selected for a variety of reasons, including offensively portrayed sexuality and violence, stereotyping of women and minorities, and general lack of program quality and entertainment value," a spokesman commented.

Mrs. Ind Meyers, president of the DeMolay Mother's Club, announces that the James Stuart Chapter's annual chili supper will be served from 11 a.m. to 8 p.m. at the Granite City Masonic Temple, 20th Street and Cleveland Boulevard, on Tuesday, Feb. 21.

She stated that carryouts are available and tickets can be purchased at the door if not bought from DeMolay's in advance.

All proceeds of the fund raising project are used to continue activities for the year for the youth organization.

Mathematics day for area pupils

Everything from addition and subtraction to algebra and logarithms will be part of the ninth annual Mathematics Field Day March 11 at Southern Illinois University at Edwardsville. Students from 40 area high schools will participate in the event, sponsored by the department of mathematical studies at SIUE.

Area high school mathematics teachers may choose as many as four students from each grade level—sophomore, junior and senior—to participate in the competition, according to Paul Phillips, associate professor in the department.

Participants in the field day will take a uniform test and compete against other students at their grade level.

Competition is on both an individual and team basis. Recognition will be given both to high-scoring individuals and high-scoring teams.

Three traveling trophies, for the sophomore, junior and senior winning teams, will be presented to the respective school classes. All three trophies are provided to SIUE by Pi Mu Epsilon, honorary math fraternity.

Belleville Township East High School won two and St. Louis University High School won one of the team trophies at last year's field day.

The Southwestern Section of the Illinois Council of Teachers of Mathematics (ICTM) and the Math Club of Greater St. Louis will conduct sessions in conjunction with the field day, from 9 a.m. until 3 p.m. at SIUE. Nadine Yerderber, assistant professor in the department of mathematical studies at SIUE, is coordinating the two association meetings.

Several mathematics education experts will speak to area educators. Featured speaker at the luncheon session will be Donald A. Bukeye of Eastern Michigan University in Ypsilanti. He will speak on "Mathematics: The Listerine of the Academic Subjects."

Sessions for the two associations will be held in the Peck Building, with luncheon

being served in the Mississippi-Illinois Room of the University Center.

Advance registration, which includes a lunch ticket, is due by March 1. Checks or money orders for \$5.50, payable to SIUE, are being sent to the Office of Conferences and Institutes, Box 36, SIUE, Edwardsville 62026.

CATHY ANN LEEPER

Miss Leeper joins Urban League staff

Harvey Riley, project director of the Madison County Urban League's Follow-Up Project, has announced the employment of Miss Cathy Ann Leeper as a follow-up specialist with the Urban League's follow-up program.

The project is funded by the Office of Manpower Development, Comprehensive Employment and Training Act. The project conducts 30, 60, and 90-day follow-up on Title I, II and VI CETA clients.

Miss Leeper attended high school in Granite City and Southern Illinois University at Edwardsville, where she received her bachelor of science degree.

She resides with her parents, Mr. and Mrs. Warren Leeper of Granite City, and is a member of St. Elizabeth Church. Assistance can be obtained by visiting the office at 500 Madison Ave., Madison, or calling 431-9818 or 877-2099, Riley said.

Registration for spring quarter

Registration for the spring quarter at Southern Illinois University at Edwardsville will be held March 7, 8, 9 and 23 in the Meridian Ballroom of the University Center.

C. B. Collier, assistant registrar at the university, says registration by appointment only will be March 7 and 8 from 9:30 a.m. until 7 p.m.

Registration without an appointment (open registration) is scheduled March 9 and 23 during the same hours.

Spring quarter classes will begin March 27.

Students who find it necessary to make changes in their schedules may do so beginning March 27.

March 31 will be the last day to pay fees without a late fee and the last day to add a class without special permission.

April 7 will be the last day to add a class, even with permission; the last day fees will be accepted, even with a late fee, and the last day for a refund of fees is at 5 p.m.

The last day to drop a class without receiving a grade is April 21. That is also the last day that students may change courses from audit to credit or credit to audit status.

April 24 will be the first day to pick up appointment cards for summer quarter registration, Collier said. May 19 is the last day students may withdraw from a class or school.

Final examinations for the spring quarter will be held during the week of June 5.

Students who have not attended classes at the university within the past year must check with the Office of Admissions and Records before registering for classes.

Students who plan to attend the university for the first time should apply for admission immediately. Applications for admission are available in the Office of Admissions and Records.

Busy day here for Bakalis tomorrow

Illinois State Comptroller Michael Bakalis, a Democratic candidate for governor, will be in the Quad-City area tomorrow for a pot luck dinner, a ribbon-cutting ceremony at the county Democratic headquarters, and a fund-raising dinner for Madison and St. Clair counties Democrats.

Bakalis is scheduled to be at the Madison Firemen's Hall on Third Street in Madison from 12:30 to 1:45 p.m. Tuesday. There he will be the featured guest at a pot luck dinner given by the Madison County Democratic Women's organization.

At 4 p.m. Tuesday, Bakalis

will participate in a ribbon-cutting ceremony, officially opening the county's Democratic headquarters at the Nameoki Village Shopping Center in Granite City.

From 7:30 to 10:30 p.m. Tuesday, Bakalis plans to participate in a \$25-per-person fund-raising dinner program at Shooter's Steakhouse, behind St. Louis International Raceway, Route 203 north of Interstate 70 and 55. The program is to aid the Democratic parties of both Madison and St. Clair counties.

Ticket chairmen are Robert Hopke (931-5150) and Regina Powell (1-398-3140).

Springfield journey for senior citizens

Senior citizens in the Quad-City area are being invited to make a one-day tour of Springfield on Wednesday, March 1. The event will be sponsored by the Tri-City Area YMCA.

The trip will include a tour of the Lincoln home, legislative chambers in the Capitol building, visits with district representatives, a tour of the governor's mansion and lunch at the William G. Stratton building.

One bus holding 47 passengers will leave the First United

Presbyterian Church, 22nd Street and Delmar Avenue, at 8 a.m. March 1, returning to the same location by 6 p.m. the same day.

Transportation will be provided by the YMCA, with participants requested to bring adequate money for lunch and any souvenirs they wish to purchase on the trip.

Reservations will be accepted on a first come, first served basis, in person only, at the RSVP office, located at the 20th Street entrance of the YMCA.

Registrations will not be taken until 9 a.m. Tuesday, Feb. 21, according to Paul L. Grennell, YMCA executive director. Additional information may be obtained by calling 678-3223.

Gong show challenge

Entertainment, from the outrageous to the serious, will be part of a "Challenge the Gong Show" in the Goshen Lounge of the University Center at SIUE Wednesday, March 1, from 11 a.m. until 1:30 p.m.

The program is sponsored by the University Center Board Leisure Activities Committee, based on the television-style "Gong Show."

Each act will have up to five minutes to perform. The acts will be rated on a scale of one to 10 by three judges.

Each act that "beats the gong" will receive a prize. The top act of the day will receive a free dinner for two.

Kevin Kitchens, a freshman at SIUE, will serve as master of ceremonies. Participants may be anyone from the university community.

Persons interested in participating are to leave their names, talent and telephone number at the UCB office at 692-2617 by Feb. 27. Spontaneous acts will be accepted, time permitting.

Council for gifted formed

The first meeting of the Granite City Council for Gifted Children will take place at 7 p.m. today at Prohart School.

The group is in the process of organizing, and officers will be elected at tonight's meeting, according to Mrs. Phyllis Ryan, temporary president.

Interested persons may attend. Further information may be obtained by calling Mrs. Ryan at 931-3925.

Education career day tomorrow

University Placement Services at Southern Illinois University at Edwardsville will sponsor a career day for education tomorrow from 9 a.m. until 4 p.m. in the Goshen Lounge of the University Center.

David Van Horn, director, said, "The thrust of this career day is to inform students of various careers in education, how to make themselves more marketable, and to have their questions answered by professionals."

Faculty members from various educational departments on the SIUE campus and area school administrators will be on hand to talk with interested students.

A slide show will be presented by the Regional Education Media and Information Service in the Ohio Room of the center from 8:30 a.m. until 2:30 p.m. Students from area high schools, universities, and community colleges are being invited to participate in the day's activities.

Farm rally on Tuesday

An estimated 4,000 Illinois farmers will rally in Springfield tomorrow in support of the Farm Bureau's four-point program to ease the financial strain on farmers.

Harold B. Steele, president of the Illinois Farm Bureau, said he expects farmer representatives of all 97 county and multi-county Farm Bureaus to attend the rally from 12:30 p.m. to 2:30 p.m. in the Illinois National Guard armory.

Immediately following the Springfield rally, a delegation of Farm Bureau leaders will fly to Washington, D.C., to meet with Illinois members of Congress, urging their support for the program.

The action program involves: (1) efforts to expand agricultural exports and market demand; (2) the addition of incentives to the government's acreage set-aside (cutback) program; (3) expansion of agricultural credit availabilities for qualified farmers; and (4) action to balance the federal budget and control inflation.

Funeral arrangements are given in the obituary column.

The plan would entail construction of a new treatment facility from the Lansdowne plant to the Granite City treatment facility.

The sanitary district, board meanwhile is studying financial problems resulting from legal entanglements over the board's five trustee posts which has caused banks to reject a \$600,000 tax warrant loan to provide operating expenses.

Russell Robinson of Granite City, president of the board, said in a meeting Friday that it may be necessary to lay off additional workers. About half of the district's working staff was laid off two weeks ago.

The district last week completed its move into the new district offices at 6200 Forest Blvd., Washington Park. Vacating former offices in the 2800 block of McCasland Avenue in East St. Louis.

Truck burglary

Don Murphy, 2553 Ivy Lane, an employee at Nameki School, reported his truck was burglarized between 2 p.m. and midnight on Friday while parked behind the school.

The window on the driver's side was forced open and a black brief case with union papers for the school district was taken and later recovered at the Johnson road drainage ditch.

Other items taken and not yet recovered were a black Bible in a case and a .25-caliber Beretta pistol, according to the report.

George G. Culp Jr., 62, of 11 Mercer Drive, a retired railroad man, died at 7:16 p.m. Friday at St. Elizabeth Hospital. He had been ill two years and was hospitalized two days.

He worked as a terminal trainmaster for the Baltimore & Ohio Railroad for 34 years prior to his retirement.

Mr. Culp was born in Newman, Ill., and moved to this area 13 years ago.

He was a member of a Masonic Lodge and Anson Shrine Temple, both in Springfield, Ill.

Survivors include his wife, Mrs. Rosemary Culp; two daughters, Mrs. Marvin (Sandra) Smith of Atlanta, Ga., and Miss Sue Ann Culp, at home; two sons, George and Edward Culp, both of Decatur, Ill.; his father, George Culp Sr. of Montezuma, Ind.; and nine grandchildren.

Funeral arrangements are given in the obituary column.

Dog and cat are killed by smoke

An electric blanket which was left on and overheated started a mattress smoldering at the home of Lillian Ryan, 2219 Missouri Ave., at 9:55 p.m. Sunday, and a dog and a cat were killed by the dense smoke.

Granite City firemen required 45 minutes to remove the mattress and to eject the smoke from the house. Damage to the building, which is owned by Clarence Williams, Rural Route One, Granite City, was estimated at \$450 and damage to the contents was placed at \$100.

Venice, Madison set for Dupo Regional Tourney

Both Quad-City Class A (750 enrollment or less) basketball teams will head into regional action this week in the Dupo Regional Tournament.

Venice's Red Devils will get under way tomorrow (Tuesday) night when they play Lovejoy (Brooklyn) at 7 p.m. Madison will face the winner of tonight's Freeburg-St. Henry Prep contest Wednesday night at 7 o'clock.

Tomorrow night's other action will have Dupo playing Columbia. The winner of that game will face the winner of the

Weekend prep results Page 10

Venice-Lovejoy game. The championship game will be played at 7 p.m. Friday. Venice has faced Lovejoy one time already this season. The Red Devils lost a close 65-62 decision in Venice on Jan. 6. Venice coach Ken Perkins said he's not making any changes for

Lovejoy this time around.

"We'll play them essentially just as we did the first game," he said. "We'll probably try to slow things down a little. But if we get a break, we'll run with the ball."

In reference to the situation which pits brother against brother (Venice's Ricky and Lovejoy's Ron Salmond), Perkins said, "There's an automatic nervous condition whenever these two teams meet because of the situation."

"But my guys want to play badly. I haven't had any trouble

at all getting them motivated for practice."

Nadison coach Larry Graham, whose team is the prohibitive favorite to repeat as regional champion, said he's taking them "one game at a time."

"I'd like to go back to Champaign as much as anybody," said Graham. "But we've got to take them one at a time."

"If Freeburg beats St. Henry, which they probably should, I think they may be able to give us a rough game in the semifinals Wednesday night.

Eight Granite grapplers — two from North and six from South — have qualified for state competition to be held Friday and Saturday, Feb. 24-25, at Champaign.

The host South Warriors tied for first place with Roxana in the sectional meet here, each with 88 points. Belleville West and Carbondale took third and fourth with 78 and 40 points. With 37 points, North finished fifth in the competition held here Friday and Saturday.

South entered 10 wrestlers and took two first places, one second and three thirds to qualify six. North entered three and qualified two, both as sectional champions.

North High Steelers capturing first place were Robert Kirgan, 105 pounds, and Khris Whelan, 112, the latter a defending state champion.

South High Warriors attaining sectional championships were Dean Perkins, 132 pounds, and Darrell Hasty, 145.

Warrior Wally DeShon placed second at 119 pounds. South's third-place finishers were Rocky Lupardus, 105, Barry Forshee, 126, and Sam Perkins, 138.

Other sectional champions in the GCHS South tourney were Don Mittello of Roxana, 98 pounds; Mike Voorhees of Roxana, 119; Rich Hill of Belleville West, 126; Glen Exton of Cahokia, 138; Bob Dunn of Belleville West, 155; Dennis McCormick of Springfield High, 167; Tony Bleyer of Carbondale, 185; and Bob Brand of Mascoutah, heavyweight.

Teams finishing behind South, Roxana, Belleville West, Carbondale and North were: Springfield 30½ points, East St. Louis 28, Lincoln 26½, Belleville East 25, Lamphier of Springfield 24½, Mascoutah 16, Murphysboro 11, Springfield Southeast 10, West Frankfort 8, Belleville Althoff 7, Collinsville 5½, East St. Louis Lincoln 2, Centralia 2, Mount Carmel 2 and Hillsboro, 1 team point.

North's Gerald Miller, 98 pounds, lost to Tim Cheek of Lincoln in the wrestle-backs, 12-0, after meeting David Harris in the first round. Harris of Belleville West defeated Miller, 17-10.

State qualifiers at 98 pounds are Mittello, Harris and Cheek. Robert Kirgan, 105 pounder of North, took first place in the semifinals Wednesday night

Lamphier, 2-0. Kirgan got the takedown in the first period and no other points were scored.

Before the championship bout Kirgan had defeated Mike Johnson of Mt. Carmel 17-2 in the second round and Jyrk Roberts of Hillsboro 21-4 in the opening round. Redpath placed second.

Rocky Lupardus of South took third place in the 105-pound competition by pinning Roberts in 1:09. Lupardus was winning 4-2 before the pin.

Lupardus pinned Bob Vanak of Herrin at the 2:23 mark in the wrestle-back after being disarmed 4-2 by Redpath in the second round. Lupardus had defeated Kurt Fischer of Cahokia 2-1 in the opening round.

Khris Whelan of North took championship honors at 112 pounds by defeating Don Caudle of Carbondale by a final score of 24-4. All six of Caudle's points were intentionally-given escapes.

In the second round, Whelan defeated Brett Smith of West Frankfort 7-1 after pinning Pat Bass of Cahokia in 1:45 in the opening round. Caudle placed second in the tourney, and third was West Frankfort's Brett Smith, formerly of GCHS North.

South's Scott Clement in the 112-pound competition took fourth place and only the top three advanced to state. Clement lost to Smith in the first round, 10-0.

Clement won his third-round wrestle-back match against Robert Gray of Mascoutah on a pin in 4:28.

Before losing to Caudle in the second round, Caudle placed his first bout by defeating Deven Scott of Quincy, 12-4.

Wally DeShon of South took second place at 119 pounds, losing to Mike Voorhees of Roxana in the final round. Voorhees took DeShon down in the first period. Each wrestler got two reversals to make the final score, 6-4.

In the second round, DeShon dispatched Denny Schnautz of Murphysboro 2-1 after defeating

Jim Phillips of Lincoln, 4-3. Voorhees took first and Schnautz took third.

Barry Forshee, 126 pounder from South, took third place by pinning Jim Spencer in 1:23. Forshee pinned Steve Shields of Murphysboro at the 2:14 mark in the wrestle-back.

Forshee had lost to Rich Hill of Belleville West in the first round, 3-2. Hill placed first and Mike Luibbers of Belleville East was second.

South's first 1978 sectional champion, was at 132 pounds — Dean Perkins. Perkins defeated Mitch Voorhees of Roxana, 5-4. Perkins scored three points in the second period to get the first points. After Voorhees escaped, Perkins took him down again.

Voorhees scored three points in the third period and Perkins scored one for an escape. Ed Ferguson of Lamphier 10-4 in the second round after defeating Glen Crimmon of Carbondale 4-2 in the first round.

Voorhees took second and Norman Dahm of Belleville West finished third.

Sam Perkins, Dean's older brother, took third at 138 pounds. He defeated Jim Jenkins of Belleville West 9-6 and defeated David Patrick of Centralia 36-1 in the wrestle-backs, after losing to John Glenn of E. St. Louis 3-2 in the opening round. Glenn Exton of Roxana took first and Glenn second.

Darrell Hasty of South won the 145-pound competition by defeating Jack Brueggeman of Cahokia, 6-3. Hasty pinned Brueggeman down in the first period and escaped in the second.

Hasty took Brueggeman down again and scored three near-fall points. Brueggeman escaped and took Hasty down in the third period. Hasty pinned Doug Harnden of Lincoln in 3:33 in the second round after pinning Jeff Arnold of Belleville West at the 2:31 mark.

Brueggeman placed second and Tracy Smith of Belleville

East third. Mike Forshee, Barry's older brother, took fourth place at 155 in being outpointed by Kevin Brueggeman of Roxana, 12-8.

Forshee beat John Jackson of East St. Louis in the wrestle-back 17-1, after losing to Steve Acup of Lincoln 9-4 in the opening round. Bob Dunn of Belleville West took first, Acup second, and Kevin Brueggeman third.

Scott Polson, 167-pounder of South, lost a wrestle-back to Rick Mardisano of Cahokia 9-4 after bowing to Dennis McCormick of Springfield in the second round.

Polson won his opening-round bout against John Lovette of Centralia, 7-2. McCormick took first, Rick Dunn of Belleville West took second and Brent Felker of Springfield Southeast placed third.

Mark Lemp at 185 pounds for South took fourth place. Lemp lost a decision to Todd Fizer of Belleville Althoff 6-2 in the last round.

Lemp pinned Creighton Nunn of East St. Louis in 3:45 in a wrestle-back. Lemp lost to Bob McPherson of Springfield 6-3 after defeating Bob Gueserton of West Frankfort in the opening round. Tony Bleyer of Carbondale placed first, McPherson second and Fizer third.

Bob Brand of Mascoutah placed first in the heavyweight competition. Don Lauders of East St. Louis placed second and John Glasco of Carbondale took third place.

"Toughest sectional we've been in," said North's head coach, Wally Whitaker.

"There were more guys from Southern Illinois — that shows that wrestling is improving down there."

"The guys did a really great job," commented South head coach William Schmitt. "We came down, and the kids brought us back."

"It'll be tough at state," concluded both coaches.

Steelerettes grab first win; Lady Trojans fall to Kahoks

Led by Cheryl Scholfield's 17 points, the Granite City North Steelerettes girls' basketball team took their first win of the season Thursday in Roxana, 52-38.

At the end of three quarters, the score was tied at 31-31. It had been tied at 21-21. North held a 12-11 lead at the end of the first quarter.

But by outscoring Roxana 19-8 in the final stanza, the Steelerettes were assured of the win.

Besides Scholfield's 17 points, Lee Ann Rainwater added 13 North points.

Kim Collins, who scored four points, made her presence felt in the fourth quarter when she made several key steals which led directly to North baskets.

The Steelerettes will try and sustain some of that winning momentum tonight when they host Edwardsville at 6:30 at the North High School gym.

Collinsville 81, Madison 35 Madison High's Lady Trojans ran right up against a brick wall

at home Thursday night — the Lady Kahoks from Collinsville.

The Lady Kahoks gave indications that they were out to duplicate their male counterparts' success on the court by running away from Madison early in the game and having some fun in the process by taking their second straight win from the Lady Trojans 81-35.

Things got off on the wrong foot at Madison. The Lady Steelerettes were trailing 23-8 after the first quarter. Things did get a little better in the second quarter ... they were only outscored by Collinsville 18-6 in that one.

Alcina Jones led Madison in scoring ... but she did so without scoring in double figures. She tallied nine points.

That couldn't quite counteract the effect of Collinsville's top scorer, Kim Brombolich. She scored 20.

Free throws doom South; Trojans grab 66-55 win

By PETE HAYES
Press-Record Sports Editor
"free throw (n): an un-
derdotted shot in basketball
made from behind a free line and
usually awarded because of a
foul by an opponent." —
Webster's Seventh New
Collegiate Dictionary.

MADISON — When Dr. James Naismith invented basketball in 1891, he put a rule in for players who were fouled by members of the opposing team. It was known as the free throw.

Down through the years, it's been the case that in a close game, the team which makes the most free throws usually has a better chance of winning the game.

Such was definitely the case here Friday night as Madison's Trojans made 10 out of 10 free throws in the fourth quarter enroute to a 66-55 win over Quad Cities rival Granite City South in a "three-ring circus atmosphere." Both teams had the same number of field goals (23), so it was the free throw shooting that spelled the difference.

MADISON raised its record to 23-3 while South dropped to 12-11. It was the Trojans last regular season game, before entering regional action next week at Dupo. South plays at Edwardsville next Saturday in its regular season finale.

The "three-ring circus" atmosphere resulted from the clock at one end of the floor showing a different time from the other clock in the third quarter. Officials decided to use just one clock as the official clock, but it also started skipping spans of five to 10 seconds at a time. The fourth quarter and part of the third quarter was timed on a stop watch.

But neither coach, Madison's Larry Graham nor South's Don Deterding, felt the confusion about the clock had anything to do with the outcome of the game.

"It all boils down to they made their free throws and we didn't," said Deterding. "That's one of the most important aspects of the game."

Another thing that killed South was that Madison shot and amazingly took 64 percent from the floor.

With Madison looking as if they could take on the world early in the game, the Warriors of South slowly but surely kept pace with the Trojans.

Madison jumped out to a quick 12-4 lead, mainly because of the quickness of Anthony King and Tim Colston.

Those two stole the ball twice and spotted first Ron Morris and then Lloyd Williams free under the basket for back-door plays.

"Their quickness is their most dangerous weapon," said Deterding. "They may be hurt down the line by their lack of a big man in the middle, but most of the time, their speed makes up for it."

BUT SOUTH demonstrated some quick hands of its own down the stretch in that first period. Jeff Tretter and then Tom Henrich stole the ball and scored key baskets to help bring the Warriors within 16-12 at the end of the first quarter.

After Madison broke out to a 21-12 lead at the beginning of the second period, Deterding switched his club from a tight zone to a 1-3-1 half-court trap defense... it soon paid off.

The Trojans had trouble working the ball inside for those back-door plays and South started to control the defensive rebounds.

I'VE GOT to take the blame for that mistake," said Deterding. "Both (Granite City) North and Wood River play tight zone defenses. North played them real close (66-61) and Wood River beat them... but we did better tonight after we switched back to our own style of defense."

The score changed from that 21-12 gap to 24-20 when South's Jeff Tretter scored two of his 20 points on a 15-foot shot from the left side.

"That Tretter's a heck of a player," said Madison's Graham. "He had a real fine night shooting."

"I think we underestimated their outside shooting ability coming into this one. They're trailing 31-26 at the beginning

of the third quarter, South began spotting on a show of its own. A 20-foot shot by sophomore Lee Huebner made it 31-26. After a Madison basket by Anthony King, South's Terry Angle came right back with a followup tip-in off a shot by Jeff Parker to keep South within four.

THEN ANGLE hit a 10-footer after Madison's Morris had made a free throw to bring the Warriors within two, 34-32 with approximately 6:45 remaining in the period.

The score was tied at 34-34 with 5:57 remaining when Huebner again bombed in a 20-footer.

But three straight baskets by Madison's Colston made it 40-34 at the 4:36 mark. Then South began yet another struggle toward the lead.

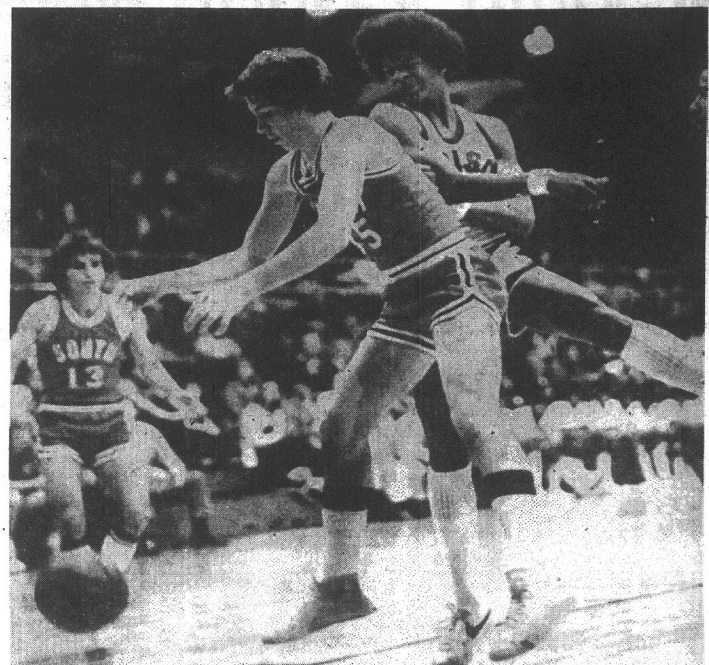

MAINLY on the strength of Terry Angle and Tom Mah's shooting ability, the Warriors managed to climb within one point twice. At the 3:03 mark on a 15-footer by Mah and at 2:45 (43-42) on a turnaround jumper by Angle.

Then at the 2:37 mark, South took the lead for the first time in the game when Huebner hit from 15 feet to make it 44-43. It was the first and last time they would have the lead.

Madison put on a blistering attack and went on, mainly on the strength of those fourth quarter free throws, to put the Warriors away.

GRAHAM wasn't entirely pleased with his team's effort. "It seems as if we only play good enough to win at times, doesn't it," he said. "But I'll tell you, we've been kind of flat the last week or so. But we had a

Flyers rout Warriors as 'Sweet Pea' scores 20

By PETE HAYES
Press-Record Sports Editor
GRANITE CITY — For a half of basketball here Thursday night, Granite City South's Warriors out-hustled and out-played highly-touted East St. Louis Senior... but they were still behind by 10 points at halftime and ended up losing 77-50.

"We outdid them in every way in the first half," said South coach Don Deterding. "But we just couldn't put the ball in the hoop."

"That's been an old story all year, I know," he said. "But that's just the way it's been. No matter how much we out-hustle and out-play anybody, if they shoot anywhere near a respectable percentage, it seems as if we're fighting from behind."

THAT WAS CLEARLY the case Thursday. The Warriors held a 12-10 lead with 1:57 remaining in the first quarter when East St. Louis' Willie "Sweet Pea" Rogers made good on a driving layup which tied the score at 12-12. It was the last time South would see the lead.

"Our defense, I thought, was exceptional tonight," said Deterding. "In fact, all of the coachable things, such as defense and the intangibles like

desire and hustle, the team performed very well. But when we can't put it in the basket, we're not going to win very many times."

Going into the second quarter trailing 18-14, the Warriors defense began to cause turnover after turnover on the Flyers' side of the ledger. But each time they would get the ball down the court, they blew an easy layup or high-percentage shot. East St. Louis would rip off the rebound and head right back up the floor, no damage done.

"When you let a good team like East St. Louis get ahead, we'd have been able to make some of those early shots of ours go down, we'd have been up by about 10 or 15 points at halftime."

"If YOU GET a team like this down, they start to panic and play right into your hands."

Besides having a cold night (3 out of 13) from the floor, South's mainstay at center, Terry Angle, got into early foul trouble and was forced to set on the bench for a good portion of the second quarter. He finally fouled out with 5:58 remaining in the game for Granite City's

Deterding. "That really handicapped us after Terry got that fourth foul."

When Angle fouled out, the score was 37-42 in favor of the Flyers... still respectable and not an impossibility for a Warrior comeback. But the Flyers out-scored South 20-6 over the final five minutes of the contest to take the win going away.

"YOU KNOW, it's got to be damaging to a team to go into the locker room at halftime having out-done the opposition in every category but one and be behind by 10," said Deterding. "The ironic thing about this is that, just like last week, we had a super week of shooting in practice."

"I'll bet we hit over 70 percent from the floor all week in practice. But when we got there tonight, it just wouldn't fall down for us."

Someone for whom the ball was falling through the hoop was East St. Louis' Rogers. He burned the nets for 11 field goals (out of 14 attempts) for 22 points. He scored 14 of those points in the second half.

Tom Mah led the way for South, scoring 12 points. "I just thought Tommy had a super game for us," said Deterding. "And Jeff Parker

again had a great night defensively."

THE CLOSEST South managed to get in the second half was 38-40 at the 7:19 mark of the third period. That came on two straight Flyer turnovers and ensuing South baskets.

But East St. Louis reeled off a succession of unanswered tallies to walk away with the win.

Lakeview splits with Borean

The Lakeview Christian Academy traveled to East St. Louis Thursday to tangle with the Borean Christian School in both basketball and girls' volleyball.

The Patriots of Lakeview fell to Borean 74-46 despite 20 points from David McCallin and 12 from Mike Lybarger.

The Patriots, however, avenged the cage defeat by slapping Borean 15-9 and 15-12 in a two-game volleyball set.

The girls' volleyball team at Lakeview is in first place of the Gateway Christian School Conference with a 6-1 record.

Wise leads Venice past St. Charles

ST. CHARLES, MO. — Riding a 100 percent shooting performance by Anthony Wise (eight-for-eight), the Venice Red Devils won their fifth game of the year — and third out of their last five and gained momentum going into this week's Dupo Class A (750 enrollment or less) Regional when they beat St. Charles West 70-63 here Friday night.

Wise scored three straight baskets at the outset of the third quarter to break open a previously tight game.

"They (St. Charles) really gave us some trouble, I thought, at the beginning," said Venice coach Ken Perkins. "That press they threw up at us kind of had us worried for a while."

VENICE did indeed have trouble handling the Warriors'

press early, as evidenced by their three straight turnovers early that helped spot West an 8-2 lead.

But the Red Devils soon took care of the press and added a little adjustment to their own. They started getting the ball inside on the taller Warriors.

"Once we got our position on the floor, we were able to cross the front line," said Perkins. "They didn't make any adjustments of their own to compensate for it."

"I DON'T KNOW why they didn't, but it sure worked out to our advantage." The Red Devils held a 38-28 rebounding edge on the Warriors. Venice's tallest player is 6-3 Ricky Jones.

While the Red Devils were working on the Warriors' vulnerability inside by working the ball into Jones, Donald Gardner and Derrick Mathis, Wise and Rick Salmond were hitting baskets from the outside.

"I'm glad we were hitting from the outside," said Perkins. "It took some of the pressure off of those guys inside and in turn put more pressure on St. Charles' defense."

THE RED DEVIL victory was gained despite 31 points from 6-3 Warrior forward Mike Wehde. The big Missourian

Because of those efforts, the Devils held a 54-46 lead after three periods of play.

"But it was really a team effort. I thought that Terry Arnold had just a super game, too."

THE DEVILS hope that they can hold onto some of the momentum tomorrow night when they face Lovejoy (Brooklyn) in the first round of the Dupo Class A Regional.

Changes made in GC girls' basketball schedules

Due to "a series of unavoidable circumstances" the following changes in the Granite City North and South girls' basketball schedules have been made:

Tuesday, Feb. 28 - Lincoln at South - 6 p.m. This game will be played in the Coolidge Junior High School Gymnasium, 3231 Nameoki Road, rather than the Memorial Gymnasium as originally scheduled.

Thursday, March 9 - Granite South at Granite North - 6:30 p.m. This game has been rescheduled and

will be played on Friday, March 3 in the North gymnasium with the TV tip off at 6:30 p.m.

Monday, March 6 - Granite North will meet Roxana in the IHSA sub-regional in East St. Louis at 8 p.m. **March 13, 15, 16** - Granite North will host the IHSA regional tournament in the Memorial Gymnasium. Participating schools will be Assumption, Cahokia, East St. Louis, Granite City, St. Louis Senior, Granite City South and the winner of the East St. Louis sub-regional.

Colonial Bank stockholders note progress of past year

The second annual stockholders' meeting of the Colonial Bank of Granite City took place last week in the cafeteria of St. Elizabeth's School, with stockholders of 77 percent of the shares outstanding, either in person or by proxy, electing the following 12 directors:

Christ D. Kacalief, Obert M. Lay, Paul H. Lichtenberger, Carl Rantl, John W. Reese, Henry W. Ross, Robert J. Swiatek, Jon Tarpoft, Donald E. Van Horn, George T. Wilkins Sr., George T. Wilkins Jr. and

Charles D. Withers.

Chairman Lichtenberger noted that in October 1977 the new bank building located at Maryville and Pontoon Roads was completed and the bank operation was moved from its temporary quarters.

He discussed the growth during 1977 and thanked the stockholders for their continued support.

The chairman then introduced Donald E. Van Horn, president, who gave a progress report on the bank's growth during 1977 by utilizing a series

of financial charts.

He pointed out that total assets had grown to \$5,288,189 by year's end.

At the directors' organizational meeting immediately following the stockholders' meeting, the following officers were elected: Paul H. Lichtenberger, chairman; Donald E. Van Horn, president; Donald L. Wohldmann, vice-president and cashier; Dorothy J. Burton, assistant cashier; and James M. Collins, consumer loan officer.

Consider azaleas, rhododendrons

By LARRY D. JONES.

While winter winds howl without, a lot of yard and garden buffs have spent a considerable amount of time curled up in warm corners with seed and nursery catalogs.

Winter is a time for planning and, believe it or not, spring is waiting in the wings.

Whether you are a serious planner or not, consider enhancing your yard with a plant that deserves a far more prominent place in Illinois landscapes than it now has — the azalea or the rhododendron.

In some parts of the country these famous members of the heath family get the countryside adrift in a holocaust of color every spring. It's an unforgettable sight.

It's a dazzling display that is not restricted to the lower latitudes either, according to Ray Maleike, Southern Illinois University at Carbondale plant scientist who specializes in ornamentals.

Maleike thinks many homeowners believe that mysticism plays an important part in growing azaleas and rhododendrons, but says it isn't so.

Many types and cultivars of these plants, especially azaleas, are not hardy this far north, but there are several that are both hardy and relatively trouble-free, Maleike says.

Many area plants survived last winter — perhaps the worst in a century — and there are many varieties that are hardy as far north as the southern parts of Minnesota and Wisconsin.

Maleike says the special needs of azaleas and rhododendrons are fairly easy to meet. They require good drainage and acid soil.

Drainage is a problem in the clay soils of Southern Illinois, but a problem that can be overcome without a lot of difficulty in the case of azaleas and rhododendrons.

When planting sites are relatively flat, Maleike recommends planting in raised beds, thus providing good lateral drainage.

Because azaleas and rhododendrons have fairly shallow root systems, the raised beds need to be only six to eight inches deep and may be easily framed with such materials as railroad ties or stones.

Filling the beds with soil that has good drainage properties should do the trick, Maleike says. He recommends modifying heavy soil for use in raised beds by mixing it with about 25 percent peat moss or sawdust.

On the question of soil acidity, Maleike says azaleas and rhododendrons prefer an acid soil with a pH between 4 and 5.5.

Most of the soil in Southern Illinois falls into this range, according to Maleike. But yards that used to be farm land may have a pH that is considerably higher, due to agricultural liming practices.

So, give some thought to helping azaleas and rhododendrons take their rightful place in the landscape. There's no mysticism involved.

sides of buildings are not good places to install these plants, he adds.

Ideal planting spots have high, filtered shade, according to Maleike, and are not located in windy areas. Azaleas and rhododendrons do better when they have some protection from desiccating winter winds and the sun's hottest rays.

Mulching is also beneficial around azaleas and rhododendrons, says Maleike, especially around plants located where it is a little hotter and dryer than optimum. A two or three-inch layer of sawdust, leaf litter, bark chips or wood chips helps to conserve soil moisture and keep plant roots cool, Maleike points out.

In addition to providing spectacular bloom, rhododendrons are among the "broad-leaved evergreens," that is, they hold their deep green foliage and provide color throughout the winter.

Azaleas are deciduous, with incredibly varied and profuse flowering habits.

Maleike says both plants are used with excellent results in foundation plantings, in borders and as either individual specimens or in groups. They are perfect for naturalized wooded areas, and there are even dwarf varieties adapted for use in rock gardens and other specialty plantings.

The equity in your house is like money in your pocket.

Equity is the difference between how much your home is worth, and what you owe on it.

It's a valuable asset you can use to back a really big loan. For whatever you have in mind.

Real-estate values are up, up, up.

So the house you bought just a few years ago probably would sell for a lot more than you paid.

Which means your equity is bigger. And the bigger your equity, the more

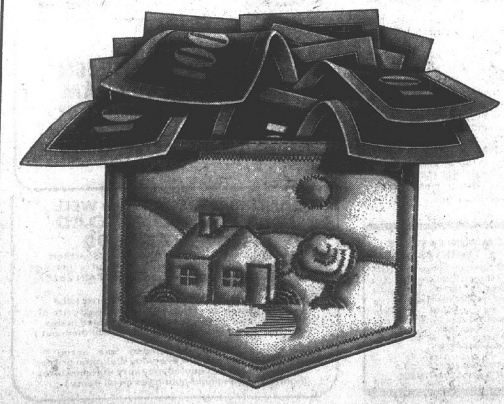

you can borrow in a large real-estate loan. Right here. Right now.

Maybe the money you're looking for is already in the house.

ENGAGED. Miss Mindi Clair Sigite and her fiancé, Larry Dale Haughey. Their betrothal is being announced by the bride-elect's parents, Mr. and Mrs. John J. Sigite Jr., 3719 Fair Oaks Drive. A June 24 wedding is planned.

Haughey-Sigite engagement

Mr. and Mrs. John J. Sigite Jr., 3719 Fair Oaks Drive, are announcing the engagement of their daughter, Mindi Clair Sigite to Larry Dale Haughey, of Granite City.

The groom-elect is a son of retired Army Master Sergeant and Mrs. Larry L. Haughey, Rural Route Five, Muskogee, Okla.

Plans are being completed by the engaged couple for their wedding on June 24, which will be solemnized at St. Peter Evangelical United Church of Christ.

Miss Sigite graduated in 1973 from Granite City High School South, and in 1973 from Belleville Area College. She is presently employed as terminal manager of Oliver Motor Service.

Her fiancé also is a 1973 graduate of South High School and is currently enrolled at Southern Illinois University at Edwardsville, where he is majoring in accounting. He is working on a part time basis in the accounting department of the Granite City Army Installation.

Miss Stalecker is betrothed

The engagement of Miss Linnie Stalecker, a daughter of Mrs. Delores Stalecker, 2746 Sunset Drive, and the late Altamont Stalecker, and William P. Toney, is being announced by her mother.

Parents of the prospective groom, Mr. and Mrs. Don Toney, reside in Boulder City, Nev., and are formerly of Piedmont, Mo.

Miss Stalecker is a 1973 graduate of Granite City High School South, and was graduated in 1975 from Barnes Hospital School of Nursing. She is currently employed as a registered nurse at Barnes Hospital and is also attending St. Louis University.

Her fiancé is presently serving with the U.S. Coast Guard and is attending Murray State University at Murray, Ky., in connection with his service duties.

Plans are being completed by the engaged couple and their families for an Aug. 5 wedding.

Mrs. Shelton gives program

A program of floral arrangements was presented at the February meeting of the Namekiki Women's Club last week, held at the Namekiki Recreation Hall.

Mrs. Muriel Dressel, program chairman, introduced Mrs. Marian Shelton who used dried flowers and other materials to create artistic bouquets. She also displayed several exhibits which she made prior to the meeting.

Miss Lucinda Huck, club president, conducted the business session and led a discussion on the club's summer scholarship program given each year for study in music and art.

Final selections of scholarship winners will be announced at a later meeting, Miss Huck added.

Hostesses Mrs. Verna Stuart, Mrs. Irma Taylor and Miss Lily Dod served a dessert course to 21 members and one guest, Mrs. Bernice Grzesk.

Others attending were Mesdames Emmett Beeler, Elmer Branding, Harold Caldwell, Wilford Cooley, Ray Horn, Russell Johnson, Hugh Kraus, John Lentz, Lawrence McCauley, Louis Meek, Emil Mueller, Ted Schaefer, Irlby Todd, Dawson Wade, and Miss Hazel Towery.

SUMMER BRIDE ELECT. Miss Linnie Stalecker, a daughter of Mrs. Delores Stalecker, 2746 Sunset Drive, and the late Altamont Stalecker. Her engagement to William P. Toney is being announced by her mother. An Aug. 5 wedding is planned.

TO MARRY. Miss Sandra Kay White and Michael Gene Margrabe whose engagement is being announced by her parents, Mr. and Mrs. Wilbur White, 2710 Iowa St. An April 14 wedding is planned.

Margrabe-White betrothal told

Plans for an April wedding were disclosed with the engagement announcement of Miss Sandra Kay White and Michael Gene Margrabe, 1407 Rhodes Ave., by the bride-elect's parents, Mr. and Mrs. Wilbur White, 2710 Iowa St.

Miss White is a 1976 graduate of Granite City High School South, and is employed at Cut & Curl Beauty Shop.

Her fiancé was graduated in 1975 from South High School and presently works for Eagle Marine Harbor Service, St. Louis.

Plans are being completed for an April 14 wedding to take place at Concordia Lutheran Church, 2391 Grand Ave.

Lakeview Academy takes first place in church meet

Lakeview Christian Academy of Central Baptist Church, 3910 Highway 111, Pontoon Beach, won first place among seven schools participating in a church competition at North County Christian School and Ferguson Church of the Nazarene in Ferguson, Mo., last week.

The vocal trio competition were Martha Lamb, Karen Williams and Glenn Gray. Miss Williams was the poetry winner and Gray won first place in preaching. The expressive reading competition was won by Mike Cordian.

After the contest, there was an evening rally featuring Dr. Earl Little, secretary-treasurer of the Christian Legal Defense and Education Foundation, Inc., of Texas. Dr. Little also is pastor of Miller Road Baptist Church and Christian School in Texas.

The Rev. John Lamb, principal-pastor of Central Baptist Church, also participated in the rally. A film entitled, "Because you are right," was shown.

Single parents group to meet

Guest speaker at Wednesday's meeting of Granite City Chapter 470, Parents Without Partners, will be Dorothy Burton, who is employed in the loan department at Colonial Bank of Granite City. She will discuss loans.

Chapter members and potential members will meet at St. John United Church of Christ, 2801 Nameoki Road, Wednesday, with registration starting at 7 p.m. All single parents are invited to attend.

Custody of children is not a requirement to join Parents Without Partners, a non-profit educational organization, dedicated to the welfare and interest of single parents and their children.

More information about the local chapter, which meets on the fourth Wednesday of each month, may be secured by calling 451-7585.

An orientation workshop for new officers will be sponsored by the Gateway regional group on Saturday, Feb. 25, it was announced.

Local members also are planning to attend a movie on the same date and visit Shaw's Gardens, St. Louis, Sunday, Feb. 26, leaving here at 2 p.m. Further details may be obtained by calling the above listed number.

REV. AND MRS. WM. J. RICHARDSON, 604 Ashland Ave., Mitchell, were honored on their golden wedding anniversary by relatives and friends at a reception Saturday. The event was held at the Mitchell Baptist Church.

Rev., Mrs. Wm. Richardson mark golden anniversary

The Rev. and Mrs. William J. Richardson, 604 Ashland Ave., Mitchell, celebrated their golden wedding anniversary at a reception Saturday evening at the Mitchell Baptist Church, in observance of their 50th wedding anniversary.

Hosting the social event were the honoree's sons and daughters-in-law, Dr. and Mrs. William D. Richardson of Troy, Ill., the Rev. and Mrs. David Richardson of Chattanooga, Tenn., the Rev. and Mrs. James Richardson of Peoria, Ill., and Mr. and Mrs. Fred Richardson of Jacksonville, Fla. They also have 12 grandchildren.

Rev. Richardson, a native of

Missouri, and his wife the former Helen Becherer of St. Louis, were married on Feb. 20, 1928, in Waterloo, Ill. They have resided in the Quad-City area for about 40 years.

Rev. Richardson served as pastor of Baptist Churches in St. Clair and Madison Counties since 1958. He retired in 1973 after serving 13 years as missions director for the Madison County Baptist Association. He still participates in supply work, revivals and interim pastorates.

Baptist events set

The Madison County Baptist Association announced this week several activities of interest to area churches.

An Associational Rally is set for 7:30 p.m. today at Calvary Baptist Church, in Edwardsville, with an executive board meeting to be held at 8:30 p.m. On Feb. 23 a home mission book study entitled "The Leaven of Salt" will be conducted from 7 to 9:30 p.m. at the Baptist Center on Thursday, Feb. 23, featuring Missionary Eugene Leftwich.

A bus is scheduled to leave Calvary Baptist Church, 3800 Washington Ave., on Saturday, Feb. 25, for Vandallia, Ill., where members will attend the GADMS meeting. For more information and bus

registration, those interested are advised to contact Delphine Kinder, GA director, at 877-5140.

Bold Mission through revival evangelism meet is set for April 10 at Grace Baptist Church, 2600 Edwards St. There will be an afternoon session at 1:30 and another one at 7 p.m., it was noted.

Association Home Mission Week of Prayer is to be held at Calvary Baptist Church, Granite City, on March 6. The meeting will open at 10 a.m. and conclude at 2 p.m.

A church secretaries conference is scheduled for April 17-18 at the Baptist Building in Springfield. For more information call 931-0888 the County Baptist Association office, the officers added.

Mrs. Johnson club hostess

Mrs. Celeste Johnson, 2537 Iowa St., entertained the Thursday Evening Bible Study in her home which was decorated in a Washington's birthday motif.

Those holding high scores and winning prizes were Mesdames Luella Propes, the hostess, Alice Koesterer and Angie Hartman.

Mrs. Johnson served cherry pie and ice cream, in keeping with the meeting theme, in those named and to Velma Radefeld, Myrtle Brunns and Lorine Menzies. Mrs. Radefeld invited the group to her home, 2502 Washington Ave., for the March meeting.

HONORED. Members of the Girls in Action group at Calvary Baptist Church who received their collars and badges for completing mission projects, at a meeting of the Women's Missionary Union at the church. Center is Kelley Worster. Back row, Zebada Kinder and Christine Ybarra.

Women's Focus Week at Calvary Baptist

Women's Missionary Union Focus Week was opened last week at an evening service at Calvary Baptist Church by Mrs. Delphine Kinder who described the aims and objectives of the three divisions of the organization.

The Baptist Women's Union (women 18 and older) make sunshine boxes for those who are ill and provide dinners and clothing for the needy. They meet at 7 p.m. on the first Monday of the month and also have book studies, guest speakers and discussions on missionary work at home and abroad and are directed by Mrs. Kay Anderson, president.

Another division is the Aetenees (girls from grades 7 to 12) under the leadership of Mrs. Gail Bivens. Members are active in various mission projects and study about missionaries and how they can help them through their home church. This group meets Wednesday evenings at 7 p.m. Mrs. Kinder added.

Girls in Action (girls in grades 1 to 6) are led by Mrs. Kathy Cruse, Mrs. Kinder and Mrs. Liz Trimble. They also meet 7 p.m. Wednesday.

After discussing the WMU groups, Mrs. Kinder introduced members of the Girls in Action, including, Christine Ybarra, Zebada Kinder, Barbara Wente,

Deana Hawkins, Cindy Allen, Jackie Lane, Julie Combs, Kelley Worster, Stephanie Hayes, Carol Lane and Trina Kilponen.

A slide program illustrating the events and activities of the girls were shown. There were pictures of the members touring Lincoln's home and tomb in Springfield, horseback riding at Pere Marquette, a slumber party at the Baptist Association building in Mitchell. Also slides of the girls making gifts for Christmas in August project and assisting with sunshine boxes.

Special recognition was accorded to G.A.'s for completing a series of projects in their Mission Adventure book. Those receiving GA collars and a badge were Zebada Kinder, Kelley Worster and Christine Ybarra.

The Rev. Al Slayter who was honored at the meeting as Julie Combs presented the pastor with a Valentine box of candy on behalf of the members.

Church of God to host winter rally

The Church of God, 1205 W. Pontoon Road, will host the Metro-East Mid-Winter Rally on Thursday, Friday and Saturday evenings, the Rev. O. J. Cloninger, host pastor announced.

Services will be held at 7:30 each evening featuring special music and choir groups representing 10 area churches.

The winter meeting involves the Cahokia, Granite City and Bethalto district of the Church of God Assemblies, and is scheduled for all churches within the district to gather and renew their faith and church programs, Rev. Cloninger added.

Guest speaker will be the Rev. Douglas Johns, state evangelist and home missions director for the state of Alabama.

Also expected to attend are the Rev. H. B. Thompson, state overseer for the state of Illinois, the Rev. Junis Fullbright, state youth and christian director of Illinois, and the Rev. Harold Downing, state evangelist and home missions for the state of Illinois.

The latter three clergymen are from the church state headquarters in Decatur, Ill. A nursery facility will be provided and ample parking is available on the west side and back of the church, the minister said.

Rev. Cloninger added the church has a seating capacity of 400 to 500 and we expect to fill the church for each evening of the rally, which is open to the public.

GC dancer on Variety Club telethon

Miss Marilyn Szczepanik, daughter of Mr. and Mrs. Charles J. Szczepanik, 2542 Ivy Lane, will serve as a hostess and appear with a St. Louis dance group on the "Variety Club's Crusade for Forgotten Children" telethon Saturday and Sunday.

The telethon will be seen this weekend on KSD-TV Channel 5, with Monty Hall of "Let's Make a Deal" game show serving as master-of-ceremonies.

Miss Szczepanik is a sophomore at Granite City High School North and a member there of the Steel City Belles award winning pom squad. She is a student of the Marjorie Salem School of Dance, Stanley Herberts Ballet Arts Academy and the Gerri Stretz Dance Studio.

For the past five years, Miss Szczepanik has been with the St. Louis Civic Ballet Company and performed annually in its production of the "Nutcracker Suite" with the St. Louis Symphony Orchestra at Powell Hall.

Needlepoint topic of Thorngate Club

The Thorngate Garden Club finalized plans to visit the Madison County Nursing Home in Edwardsville on Wednesday, during a meeting held last week in the home of Mrs. Betty King. Tables were decorated in a Valentine motif and favors were Valentine pins. After a dessert luncheon the business meeting was conducted by Mrs. Lillian Delpe.

A poem entitled "Just For Today" was read by Clara Schilling.

Mrs. Delpe announced she will have the club year books ready for distribution at the March session.

Roll call was answered with a reference to a gift or creation in needlepoint, to coincide with the program on needlepoint presented by Mrs. Schilling. Others present were Mesdames Enid Bolin, Pat Polley, Beula Miller, Pearl Young, Alma Irwin, Wanda Kincaid and Miss Jean Bethel. The next meeting will be with Mrs. Schilling.

Champagne dinner-dance Saturday

The deadline is Wednesday for confirming reservations to a champagne dinner-dance sponsored by the Granite City Business and Professional Women's Club.

The affair will be held Saturday evening at the new St. Mary's Parish Hall, 10th Street and Alton Avenue, Madison, in observance of International Women's Year.

Mrs. Ollie Derr, BPW president and dance chairman, is urging club members and others interested in attending to confirm reservations with her or Mrs. Louise Lewis before Wednesday night by calling 876-8448, 931-5503, 931-2626 or 876-3019.

"Prior reservations may be paid at the door, but no tickets will be sold at that time," Mrs. Derr said. Tickets cost \$10 per person.

Based on the theme, "Cabaret," the gala affair starts with cocktails at 6:30 p.m., followed by dinner at 7 o'clock and a floor show at 8 p.m. Music for dancing will begin at 9 p.m., provided by The Starlighters.

Jim Whaley, who has been master-of-ceremonies at several large scale functions recently, will introduce the floor show acts.

Featured artists will include Melanie Aasorian, former Miss Madison County Fair queen and a former Miss Granite City, Betty Roberts, Jim Stack and the "Kit Kat" girls, Margaret Scott, Ollie Derr, Judith McCann and Louise Lewis.

Valerie Stevens will serve as piano accompanist.

Mrs. Derr said proceeds from the benefit dinner-dance will be used to assist in promoting women in their chosen fields of endeavor and help to finance various civic projects of the club.

Be Alert for The Odor of Natural Gas.
We add a distinctive odor to the gas that makes it easy to identify.

If you smell a gas leak anywhere, indoors or outdoors, phone us immediately. Tell our operator you're reporting a gas leak. Then tell the location. We'll have a serviceman there right away. Please be

on hand when he arrives to help him locate the leak as fast as possible. Our crews are on duty and our emergency phone is manned 24 hours a day.

If You Smell Natural Gas Indoors, leave the building immediately and call us from the nearest phone. Don't flip light switches or use any electric equipment, including the telephone, inside a building where there's a gas leak. Don't light matches or candles. Don't try to find the leak yourself.

Make a note of our emergency gas leak number. And call us at once if you smell natural gas.

Your cooperation in reporting gas leaks can save lives.

Cost control to be retail group theme

A meeting of Southern Illinois merchants has been scheduled for August 15, Tuesday, Feb. 28, it has been announced by Hugh E. Muncy, president, Illinois Retail Merchants Association.

Sponsored by the Southern Illinois Retail Council, a division of IRMA, the meeting will begin at 2 p.m. and continue through 8 p.m.

Featured on the program will be retail specialists in labor relations, unemployment insurance, minimum wage, credit and energy conservation. Theme of the event will be "cost control."

Muncy indicated that inflation, energy shortages and escalating product and labor costs have affected every retailer.

"Today, more than ever, retailers must exercise stringent control of costs in all operating areas if they are to hold consumer prices in line," the Retail Association chief said.

The meeting is open to all interested merchants. The registration fee of \$9.50 includes dinner.

Reservations may be made at IRMA, 524 S. 2nd St., Springfield 62701 (217-544-1003), or at the Belleville Chamber of Commerce. The seminar is part of the retail association's member service program.

Snow removal project ends

The U.S. Air Force last week returned Army troops and equipment used during emergency snow removal efforts in three Northeastern areas.

The clean-up operation, named Snow Blow II, required 1,000 troops and more than four million pounds of supplies and equipment in the Boston, Mass., Hartford, Conn., and Providence, R.I., areas. The project was carried out by the Military Airlift Command, Scott Air Force Base.

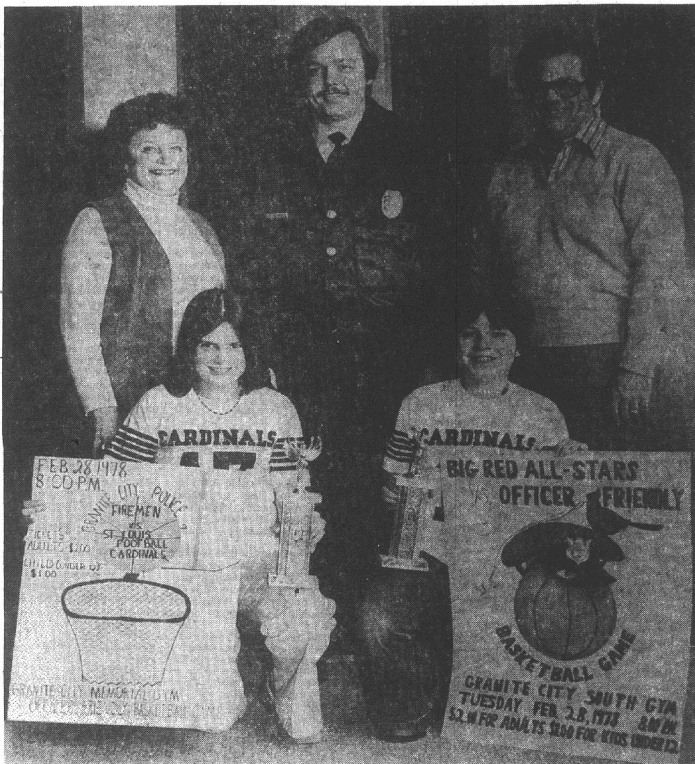

It required about 26 C-5 and 51 C-141 Military Airlift Command missions to airlift the troops and equipment back to their home bases in Texas, Georgia, Louisiana, North Carolina, Kentucky and Washington, D.C.

Fewer missions were required for the return airlift because only the larger C-5 Galaxies and C-141 Starlifters are being utilized.

The smaller C-130 Hercules was used in the original airlift, which included 16 C-5, 33 C-141 and 75 C-130 missions.

The cargo included scoop loaders, graders, wreckers, ambulances, trucks, communication gear, compressors and generators.

MAC aircraft from Dover AFB, Del., Charleston AFB, S.C., McGuire AFB, N.J., Norton AFB, Calif., and Travis AFB, Calif., flew the troops and equipment back.

COLORFUL POSTERS publicizing the Officer Friendly benefit basketball game Tuesday, Feb. 28, are displayed by the citywide champions of a poster contest for Granite City elementary students. Wearing their football Cardinal team shirts and holding first prize trophies are Lisa Willaredt of Parkview School,

left, and Robert Shelton of Nameoki School. Both are sixth grade students. In the back row, from the left, are Mrs. Agnes Fryntzko, Parkview principal, Officer Friendly (Fred Hoffman) and Nameoki Principal Donald Kopp. About 300 posters entered in the contest are now on exhibit at area business firms.

Poster winners chosen for Officer Friendly ball game

Lisa Willaredt and Robert Shelton, both sixth grade students, were named citywide champions in a poster contest to publicize the 8 p.m. Feb. 28 Officer Friendly Benefit Basketball Game in the Granite City Memorial Gymnasium.

The game will be played to aid the Officer Friendly Athletic Fund by the Big Red All Stars of the St. Louis football Cardinals and the Granite City Police-Firemen All Stars.

Officer Friendly (Fred Hoffman) announced the winners whose posterwork was selected for the top awards from among nearly 300 entries submitted by pupils at most Granite City elementary schools.

Lisa, 11, is a sixth grade pupil at Parkview School and the daughter of Mr. and Mrs. Richard Willaredt, 2611 Stratford Lane.

Robert, also 11, is the son of Mr. and Mrs. Jerry Shelton, 1837 Bremen Ave. He is a pupil at Nameoki School.

Both young people were congratulated by Officer Friendly and their principals, Mrs. Agnes Fryntzko of Parkview and Donald Kopp of Nameoki School, during a brief ceremony Thursday afternoon.

Each youngster received an engraved silver trophy, a St. Louis football Cardinal team shirt imprinted with "17" as worn by quarterback Jim Hart, a Big Red stocking hat, a color team picture of the football Cardinals, a team pennant and free tickets to the Officer Friendly game.

Most winning posters are on display today and for the next week in the main lobby of Madison County Federal Savings and Loan, 3600

bears the phrase, "You'd better be there, or else."

The artist is Ricky Jones, a sixth grade pupil at Mitchell School, the officer said.

First-place recipients at the individual schools are:

Emerson — Joe Madison and Amy Brazel, both fifth graders.

Washington — Joe Connor, sixth grade, and Leigh Ann Panning, fourth.

Mitchell — Ricky Jones, sixth grade, and Leslie Tindall, fifth.

Stallings — John Free, fifth (No girls entered).

Prohardt — Ellen Moss, third grade (honorable mention) and Mike Consiglio, third grade.

Parkview — Lisa Willaredt, sixth grade (city winner), and Chris Carden, fifth grade.

Maryville — Mike Campbell and Jacquelyn Davis, both third graders.

Nameoki — Lauri Machino, sixth grade, and Robert Shelton, sixth (city winner).

And Wilson — Neil Detweiler, third grade (no girls entered).

"I'm thankful to all the children who entered the contest and I hope to see them at the Officer Friendly game," Hoffman said.

Dumping of foreign steel reducing steel jobs in America

Steel industry employment at the end of last year fell by 32,000 from its mid-year peak, American Iron and Steel Institute figures show. The drop was due to foreign steel imports, which mounted a second-half 1977 assault that led to a new record of 19.3 million tons.

Employment in the industry in December totaled 439,642, compared to a peak in

June of 472,000. Production workers suffered the largest decline during the period; their numbers went from 354,419 in June to 327,864 in December.

The nation's mills paid out total wages in 1977 of \$9.24 billion, up from \$8.33 billion in the preceding year, but the adverse impact of the below-cost "dumping" of foreign steel in the U.S. is painfully clear.

Frightening volume of drug experimentation by teenagers

As is brought out in an article on today's front page, there is fast-growing concern over the extent of drug abuse among Quad City teenagers.

Many of the young drug users are taking pills whose characteristics are unknown to them, and in combinations whose effect is

unpredictable.

Such a situation is frightening and would seem to call for accelerated efforts by schools, families, churches, agencies and enforcement authorities to increase students' understanding of the hazards.

Widespread use of Social Security cards to alter identity

Press-Record Washington Bureau — The most startling discovery about the new procedures adopted by the Social Security Administration to prevent misuse of the system in changing identity or concealing immigration status is the laxity that immediately prevailed.

Until now, applicants for Social Security numbers could complete applications at district offices or mail them in as they chose. Only applicants 18 and over were required to submit proof of age, identity and citizenship status.

Under the new rules, all adults will be in-

terviewed in depth to assure they never had a Social Security number and that they are not trying to get one for someone else.

The reforms were revealed in a "budget justification" submitted to Congress.

The agency has not publicized the changes, apparently from an understandable reluctance to admit the looseness of the controls that have prevailed during the system's history.

The new procedures are an overdue effort to prevent use of Social Security numbers to protect illegal aliens or to allow "documentation" of false identities.

Public works department studied by County Board

The Madison County Board has postponed making decisions in three areas and will discuss them further at the board's March meeting.

For the second consecutive month, the board tabled action on bids for six new cars for the sheriff's department, this time due to uncertainty that the current cars need replacement yet.

Low bids from Highland Pontiac totaling \$23,835 have been pending since January. The board first held the bids to determine if the cars could be purchased cheaper from the state buying pool.

Board Member Lodger Elble said it appears the county could save about \$500 per car, but would have to sell the trading and service might be a problem.

It was noted that most trade-

in cars have mileages around 40,000, which is deemed too low to trade them.

The board also delayed making a decision on creating a county public works department to control water supplies, drainage, sewerage, pollution and flood control. The department, by law, would be headed by a professional engineer.

Board Chairman Nelson Hagnauer proposes incorporating the present highway department into the public works department. He also wants county highway superintendent, Les Miller, a professional engineer, to direct the new department.

Board members indicated they would prefer a month to study the ramifications of such a department before taking action. Also held over was a resolution presented by Dick

Worthen of Alton which would have put the County Board on record as opposing an air pollution variance sought by Union Electric Co. for generating facilities at Labadie and Portage Des Sioux.

The variance would allow the company to burn coal instead of three times the sulfur dioxide allowed from Madison County power plants, it was asserted. Since much of the pollution would drift into Illinois, Worthen felt the board should go on record opposing it before the Missouri Air Commission holds a hearing on the matter March 7 and 8.

A motion to table county action one month was passed on a 14-1 vote and the next county board meeting will be held after that public hearing.

ARREST 44 MOTORISTS

Granite City police arrested 44 motorists for not having 1978 license plates on their cars Thursday and early Friday. The stopping of autos without current license plates also led to several tickets being issued to motorists whose driver's licenses had expired.

Illinois police chiefs are asking that the Assembly adopt a one percent tax on telephone bills to pay for operation of an emergency call system using the numerals 911.

All members of Madison County boards of education have been invited to meet with Regional Supt. Harold E. Briggs at 7 p.m. Thursday at Charlie's Restaurant, Granite City, for an informal exchange of ideas. Presentations will be made on alternative education by the Granite City district, on disruptive behavior by Edwardsville schools and on unemployment insurance by the Bethalto district.

Car wouldn't run, but its missing

How does a car which has a bad transmission, dead battery, empty gas tank and will not move in reverse disappear?

The question still baffles Phillip Malek, 2020 Washington Ave., owner of the 1973 Mercury auto who reported the theft at 11:57 a.m. Saturday.

He discovered the car was missing from in front of his home when a wrecker he had hired to pick up the auto arrived at his home.

Boy, 16, dies after car, train crash

The 16-year-old brother of two Granite City residents died early Saturday of injuries suffered the previous day when his auto was struck by an Amtrak passenger train at the Central crossing on Black Lane, State Park Place.

Hank S. Walker of Caseyville, a junior at Collinsville High School, died Saturday at Memorial Hospital in Belleville. A passenger in the car, Kenneth Honeycutt, 17, of Caseyville, was in satisfactory condition Saturday at the hospital.

A nearby resident, who has been complaining about the railroad's handling and maintenance of the crossing and witnesses the accident, said the youth's car was about halfway across when it was hit. Illinois State Police identified the train's engineer as George Muench of Terre Haute, Ind., and said he estimated his speed at 50 miles per hour when he saw the car. The engineer said he hit the emergency brakes just before impact, police reported.

The train struck the northbound door and spun it around. One of the victims was thrown about 30 feet from the wrecked auto and the other about 50 feet, it was estimated. The crossing has flashers and gates, but the resident said, "They stay down half the time. People get used to running them because they don't want to sit there."

The man said the gates had been down "most of the day Friday." A freight train was stopped facing the crossing about 200 feet to the east.

It has been theorized the youthful driver may have assumed the gates were down because of the freight train and started around without noting the passenger train approaching from the west.

Mr. Walker is survived by his parents, Mr. and Mrs. Herbert (Bernice Anderson) Walker of Caseyville; a sister, Mrs. James (Rebecca) Johnson of Granite City; three brothers, William Walker of Granite City, Malcolm Croy of Washington Park and Richard Cook of Pocaahonias; and a grandmother, Mrs. Gladys Anderson of National City.

Stolen car burned

The auto of George Banker, 54 Eastgate Drive, Pontoon Beach, stolen from his home last night, was found engulfed in flames in a field near Terminal Avenue and Maryville Road at 2:05 a.m. today.

Firemen and police found the car filled with flames and were unable to save the 1974 Chevrolet Camaro. It appeared the car had been northbound on Maryville Road and went off the roadway at the curve near Terminal Avenue, and burned. The cause of the fire could not be determined.

Firemen were on the scene 50 minutes after the call.

Police noticed the ignition switch appeared to have been removed, leading them to believe the car had been stolen. Later this morning, Banker reported the car had been taken from his home.

Big band music Thursday at South

"Big band" selections, as well as rock and pop music, will be featured by the Granite City High School South Stage Band when it presents a rescheduled concert at 8:30 p.m. Thursday in South High cafeteria.

The concert will be under the direction of Terry Waffer, South band director, and will follow the freshman orientation program at the school.

Admission will be by season ticket, or single performance admission at the door, costing 75 cents for adults and 35 cents for students.

Refreshments will be provided after the concert, Waffer said. The public is invited to attend.

Inclement weather on Jan. 26 forced postponement of the concert initially.

Agape Players here tomorrow

Agape Players will perform at 7 p.m. Tuesday, Feb. 21, at the Granite City High School. The group of college-age young people from all parts of the U.S. presents musical dramas and sacred song concerts.

Known nationally and internationally, the Agape Players tour for nine months each year. They have been active since 1969.

\$7,500 fire loss

Granite City firemen are investigating the cause of a fire which caused extensive damage to the home of Mike Patterson, 2202 Lee Ave. at 12:40 p.m. Sunday.

The fire appeared to have started in the basement and spread up a stairwell to the first floor. Firemen fought the blaze for two hours and 20 minutes. Damage was estimated at \$6,000 to the building and \$1,500 to its contents.

ARREST IN THEFT

Bobby Smith, 18, of 2130 Delmar Ave., was charged with theft at 7:30 p.m. Sunday as police probed the theft of a wallet from a locker room at the YMCA, which was discovered at 9:35 p.m. Sunday. Larry Lilley, St. Louis, discovered his locker had been pried open and his wallet stolen. The wallet contained about \$30 to \$40, credit cards and personal papers. Several boys said they saw two youths prying open the lockers, which led to Smith being questioned.

LAUNDROMAT BURGLARY

Two large tool boxes containing assorted tools, a gas welding set and a tap and dye set were taken from the Plaza Laundromat, 2490 Nameoki Road, it was reported at 9:14 a.m. Saturday by John Moseley, 2911 Palmer Ave. Moseley discovered a boarded up window had been broken into to gain entry into the back room of the facility.

BURGLARY ON DELMAR

A \$300 gold dinner ring and about \$45 cash were stolen from a dresser at the home of Sylvia Metzger, 2506 rear Delmar Ave., between 10 a.m. and 3:40 p.m. Tuesday. Entry was gained by forcing the window from the front door and reaching through to unlock the door.

Susan Anthony courageous reformer

To the Editor:
On Feb. 15 the school children of Illinois commemorated the birthday of Susan Brownell Anthony, who was born in 1820. She was reformer and lecturer on temperance, slavery and women's rights.

Miss Anthony was the second of eight children born to a Quaker family in Adams, Mass. Her father believed that all of his children should be self-supporting. When her father lost his business in the Panic of 1857, Miss Anthony helped support her family by teaching school.

At a temperance meeting in Albany, N.Y., Miss Anthony was denied the right to speak because of her sex. She became so angry that she formed the Woman's New York State Temperance Society.

Not long afterward, she attended a teachers' convention which the men ran while the women teachers, who were the majority, sat in the back of the room.

This treatment was

outrageous to her and she suggested to the men, after being given permission to speak, that their status as teachers would improve if they did not have to compete with the cheap labor of women.

Men teachers received \$30 a month while women received \$8.

She soon joined Elizabeth Cady Stanton in the women's rights movement. In 1860, they founded the National Women's Suffrage Association. The association contended that women as well as former slaves were enfranchised by the Fourteenth and Fifteenth Amendments to the Constitution.

Miss Anthony maintained this position before the Senate Judiciary Committee in 1872. But the committee did not agree.

Neither the Republican nor the Democratic parties in the 1872 election campaign favored enfranchising women.

Miss Anthony decided to test the Fourteenth Amendment by

registering to vote. She read the amendment to the men in charge of registration. They said that "All persons born or naturalized in the United States and subject to the jurisdiction thereof are citizens of the United States and of the state wherein they reside."

She was allowed to register and on Nov. 5, 1872, voted along with 14 other women. On Nov. 18, she was arrested for voting. Her trial was held the following June.

The judge found her guilty. The jury was not allowed to decide her guilt or innocence. She was fined \$100. Women did not receive the right to vote for another 48 years, a hundred years after Miss Anthony's birth.

The Metro-East Women's Political Caucus hopes everyone will remember this courageous woman.

Durbin would have an active role

To the Editor:
In his recent article about the demise of the lieutenant governor's office, columnist Ken Watson points out a serious problem facing Illinois government.

As a person who has worked for and with previous lieutenant governors, I would submit that many of the problems with the office have more to do with the present occupant than the office itself.

The thousands of people who were helped by Paul Simon's ombudsman program found the lieutenant governor's office to be one of the few agencies of government willing to cut through "red tape" and get results.

The millions of senior citizens who were helped by Lt. Gov. Neil Hartigan appreciate the job that can be done in that post.

The Illinois Constitution clearly establishes the governor's responsibility to delegate duties to his lieutenant governor.

It is unfortunate that Governor Thompson, for reasons which he has not explained, has refused to allow his running-mate to become an active partner in the administration of state government.

I agreed to accept Mike Bakalis' invitation to be his running-mate only after a thorough discussion about the role of the lieutenant governor

in his administration.

I am much too young to retire, and I am too energetic to want a four-year vacation.

I am satisfied that my role in the Bakalis-Durbin administration will be active and rewarding, not only for me, but also for the taxpayers of this state who foot the lieutenant governor's annual office expenses of almost one-half million dollars.

I can assure Mr. Watson and your readers that there will be no need for jokes about the lieutenant governor if that office is restored to the stature which it had under Paul Simon and Neil Hartigan.

No political signs on utility poles

To the Editor:
I have received an announcement from the chief of police in Granite City, Mr. Ron Veizer, that he has

He says that the ordinance against the posting of signs on utility poles and public property will be enforced.

I certainly agree with this policy because, in many instances, these signs are not

taken down. They certainly, in spite of what candidates think, do not add beauty to the city streets.

I have instructed my people to adhere to the no posting of signs ordinance and assure you that we will cooperate with the city officials of Granite City.

I want to personally compliment the city officials and Police Chief Veizer for taking

their stand on enforcing the no-posting regulation.

I would appreciate any offers to place my sign on any private property. Anyone wishing to permit us to display a sign on or in their property may contact Nick Hamilos at 876-3710 or myself at 856-2785.

Opposes stand by Senator Percy

To the Editor:
I have sent the following letter to U.S. Senator Charles Percy of Illinois:

"I am a lifelong Republican voter.

"I am a former precinct committeeman (of the Ralph Smith area).

"I try to live according to the ten commandments.

"I stress the efficacy of the 5th Commandment — do not kill.

"I know on the basis of medical science that abortion is

the unjust taking of human life, regardless of the subjective interests involved.

"I know you are wrong in your support of abortion as a solution to any problem.

"I know you will live to regret your support of abortion, which most people of awareness regard as the ultimate blasphemy directed at the

Father, Son and Holy Spirit (probably on your death-bed).

"I will not vote for anyone who does not declare his opposition to infanticide.

"I know that acts of infanticide in combination with other evil and speaker valued at \$600, and \$188 in cash were stolen.

GOVERNMENT DAY. Granite City Boy Scouts who took over city offices Tuesday, seated from left, are Steve Yenchio, fire chief; Lyle Tempel, mayor; Bill Kofalas, city treasurer; Chris Slade, police chief.

Caleb Miller, city clerk. Standing behind their replacements for a day are Fire Chief Don Parente, Mayor Paul Schuler, Treasurer Nick Perillo, Police Chief Ronald Veizer and City Clerk Robert Stevens.

Orientation at 2 GC high schools

Both North and South High Schools will be holding an orientation program this week for 1978 incoming freshmen and their parents.

This program is to acquaint new students and their parents with the high school curriculum," a spokesman said.

"Opportunity will be available to visit as many as four different sessions, where the chairmen of the various departments will explain the curriculum in their areas."

The program at Granite City High School North will be Tuesday, Feb. 21, from 7 p.m. to 8:45 p.m. A short general meeting will be held in the cafeteria at 7, after which sessions will be held to discuss various programs.

South High School will hold its freshmen parent orientation on Thursday, Feb. 23, from 7 p.m. to 8:45 p.m. Parents and students will go directly to the individual sessions. An information booth and directories will be available in the main hallway.

Major areas of study to be represented are:

Art, business education, English, foreign language, home economics, industrial occupations, mathematics, off-

campus program (cosmetology and health occupations), science and social studies.

Non-major areas that will be represented are:

Administration, physical education (athletics and health), driver training, guidance and counseling, music

(band and vocal) and speech. "The high school faculty and administration believe that attending this orientation session will be a good beginning for eighth graders. Parents are being urged to attend with their sons or daughters," the spokesman concluded.

North Band to honor new Ainaid potentate

The 50-member Granite City High School North Pep Band will provide live music for the entertainment at "Granite City Night" at the Ainaid Temple in East St. Louis, in honor of Jack Dempsey, newly-elected potentate for 1978.

The North Band is under the direction of Noble Robert D. Tudoroff, director of bands, and director of the national award-winning pom-pom squad, The Steel City Belles.

Featured on the program will be special presentations by the Steel City Belles in both pom-pom and dance. The award-winning group is under the leadership of Cathy Messina and Laura Allen, squad leaders, assisted by Karen Hatcher.

Other members of the group are Sherri Davis, Marilyn Szczepanski, Lisa and Debbie Shup, Jacques Boatman, Laurie Webb, Mavis Vaughn, Rhonda Roe, Linda McCrone, Michelle Pittman, Linda St. Ivany, Gina Jones, Susan Galbraith, Jill Donley, Ruth Ann Hayes, Julia Rowden, Jae Rainwater, Lori Bushong, Geri Szczepanski, Laura Levin, Lynn Krystosa, Carol Fabry, Taina Kilponen, Gail Kendall and Gina Delevski.

The Steel City Belles took first place in competition at Hastings, Neb., last summer in

both pom-pom and dance.

To complete the evening's entertainment, the North Guard Flag and Rifle Squads from North High School, will bring an added dose of dazzle to the program when they perform combined showcases of manual and spinning, set to music provided by the Pep Band.

The three groups also will present a "special three-squad spectacular" which combines precision drill, squad routines, and a grand finale to the evening's entertainment with a full-floor exhibition of their marching and maneuvering skills.

This type of show format is unique with the North High School group and has not been seen anywhere to date and is called "motion to music." Members of the North Guard Flags are Denise Hubert, Dee Dee Davis, Susan Nagy, Donna McBride, Cheryl McElroy, Melinda Kessler, Christy Gibbs, Bridgett McNew, Jean Andrews, Phyllis Harnetaux, Susan Simmers, Mary Strauser, Susan Atkinson, Nancy Winfield, Patti Galbreath and Lisa Wilson.

The North Guard Rifles squad include Janice Beaver, Darcy Jewell, Lisa Henderson, Rhonda Stamps, Monica Wadlow and Karen Kessler.

Question man in stereo, CB radio theft

A 21-year-old St. Louis man was being questioned by Granite City detectives Thursday in connection with the removal of a built-in console containing a stereo, speakers and CB radio from the van of Rick Hall, 2438 Lincoln Ave., in the Granite City Trust Bank parking lot in the 1900 block of State Street at 12:40 a.m. Tuesday.

Hall said he and a friend were walking from a lounge to the van when two young men jumped out of his van and ran, one carrying the large console.

Hall chased the one with the console while his friend chased the other man, who dropped the console and ran south in the alley between State Street and Grand Avenue.

Hall said he caught the man who fell exhausted to the ground. Hall then took a Missouri identification card from the man's wallet and the photograph on the identification card matched the man, he told police.

Thinking the man was too exhausted to run, Hall kept the identification card and returned to his van, planning to drive to where the man was resting, pick him up and take him to the police station.

When Hall returned with his van, the man was gone, he said. The identification card was turned over to police and officers searched for the other youth who eluded Hall's friend.

A car was stopped a short time later at 20th and State streets and two occupants of the car said they were looking for their friend, naming the youth whose identification card was given to police.

The two St. Louis men, ages 17 and 19, were taken custody for questioning. They were released after questioning and the youth whose identification card was taken surrendered to officers Wednesday, after being told he was sought.

Do you have to be special to heal through prayer?

No, but you do have to be humble. Willing to learn more of God's love. His goodness. His power... and to see these as able to correct any situation.

Such obedience to God's law brings healing, to oneself and others—very naturally.

Christ Jesus proved.

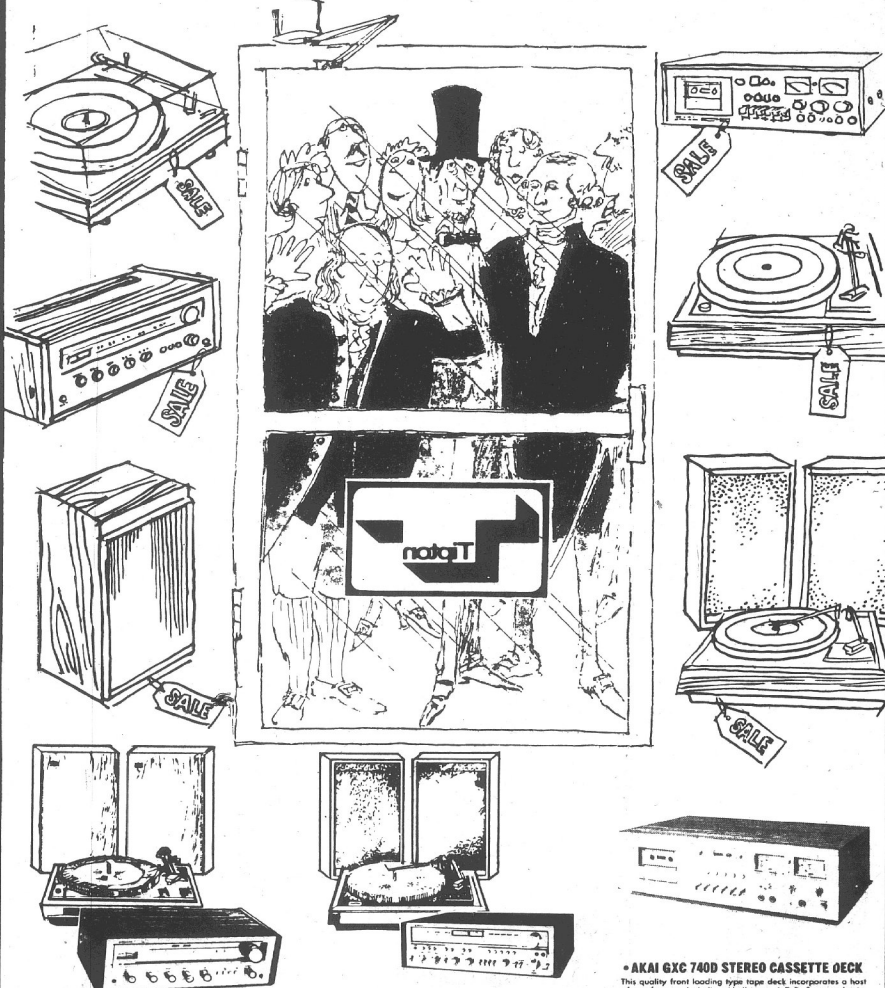

If you'd like to learn more about spiritual healing, consider a visit to a Christian Science Reading Room, Sunday service, or Wednesday testimony meeting. And your children can attend Sunday School. We'd love to have you inquire.

Zoning hearings on horse barn, mobile home

The Madison County Zoning Board of Appeals will hold two on-site public hearings in Quad-City area townships Thursday, the first being at 9:05 a.m. at 5209 Maryville Road, where Jean McDaniel is requesting a special use permit to continue usage of an existing barn for the stabling of up to 25 horses.

The petition notes she would like to purchase the property and continue in the same manner as the previous owner. The property is zoned R-3 for residential use and is in Chouteau Township.

At 9:35 a.m. Thursday, the board will meet at 3210 Princeton in State Park Place, Nameoki Township, where Wanda Bennett is requesting a special use permit to place a mobile home for her permanent residence. The property is zoned R-4 for residential use.

In case of inclement weather prohibiting the hearings, they will be rescheduled for the same hours Tuesday, Feb. 28.

Engine repair shop approved

Madison County has granted special use permits to two Quad-City area residents for construction of a building in Chouteau Township and for the placement of a mobile home in Nameoki Township.

A permit was granted to Richard Huebner to construct a block or pole-type building in the Don-Riki Subdivision of Chouteau Township, near Wanda Drive.

The building is to be used for a small engine repair business. The property is in an agricultural district.

A permit also was granted to James Purlee, property owner, and Ruth Wilson to continue the placement of a mobile home in 3309 College Ave., State Park Place, in an R-4 single-family residential district of Nameoki Township.

Stipulations are that it is granted for the sole occupancy of the Ruth Wilson family, for her lifetime, and that it be removed as soon as the need for it has ended.

STUDENT MAJORING IN ELEMENTARY EDUCATION

Valerie A. Bell is continuing studies in the second semester at Blackburn College in Carlinville. She is the daughter of Ruth and Clifford Bell of Granite City.

Miss Bell is a senior at the four-year liberal arts college and is majoring in elementary education. Blackburn College offers 18 majors and has an enrollment of 550 students.

TROPICAL FRUIT SALE
SWEET & JUICY
PINEAPPLE

79¢
Ea.

The Pineapple is a tropical fruit, so named because of its resemblance to the pine cone in shape and appearance. It is universally popular for desserts, salads and for canning, since it not only possesses an exquisite flavor, but has good Vitamin C and high natural sugar content as well. It provides only 52 calories per 3 1/2 oz. edible portion. Since pineapples do not produce any more sugar after they have been picked, we endeavor to buy the sweetest pineapple available for our customers. Pineapples are on sale this week at your friendly Kroger store.
